FARM LAND PRICES

Recent Moultrie county land sales have been consummated at high prices, but not speculative prices, despite the high prices for farm products.

During the land speculation period after the first war many midwest farmers paid fabulous prices for farm land. Often they mortgaged land already paid for, to buy more, and when prices slumped, they lost all.

The sale of land did not increase very much during his last war. Production was increased, prices were higher, and generally the farmer saw no reason to increase his acreage.

So far there has been no sudden drop in farm prices, such as came after the first war, when exports to Europe were cut. This time the continued shipping of foodstuffs to Europe, plus high consumption at home, has kept prices up.

This is a time for land purchases only at prices justified by long-term income.

LABOR DAY

Labor Day, 1947, will have a significance that goes far beyond the picnics and the parades and the windy speeches that mark all national holidays.

American labor has come to a crossroads. On the one hand, it has achieved enormous economic and political power, and wages and working conditions unequalled throughout the world.

The Taft-Hartley measure marks the first decisive attempt to correct these abuses. But a law is not enough. Labor could evade and perhaps circumvent for a time the clear intent of Congress.

If labor will cooperate with industry and the government to clean its own house and to contribute its full measure to the production of goods and services, it will earn and receive the respect and confidence of the country.

The organizations and individuals whose business it is to prevent fire and to educate the public, are doing a fine job. Their efforts have been doubled and redoubled.

BURNING A MILLION DOLLARS

Frank A. Christensen, president of the National Board of Fire Underwriters, recently said that about a year ago he predicted that direct waste by fire might exceed the staggering sum of \$1,000,000,000 a year by 1953.

That forecast, he continued, was wrong by about three years. If the recent rate of increases continues, we will cross the billion-dollar mark by April, 1950.

Never in our history was the fire problem so grave. In 1941, the loss was \$300,000,000. In the twelve months ending last April, the loss was more than twice as great—\$616,000,000.

The organizations and individuals whose business it is to prevent fire and to educate the public, are doing a fine job. Their efforts have been doubled and redoubled.

State's Cash Balance Reaches New High

Richard Yates Rowe, State Treasurer, announces that the total cash balance of all funds as of July 31 amounted to \$1,117,149,131.45. This is the highest total fund cash balance in Illinois history.

Rowe said general revenue funds increased \$7,771,424.48 to a total of \$122,746,013.75. State funds increased \$315,124.88 to a total of \$608,282,383.83.

Rowe listed increases in the four major sources or receipts as follows: retailer's occupation tax deposits for July were \$11,128,027.28 as compared to \$9,972,839.34 last July.

Motor fuel taxes increased to \$5,128,941.03 as compared to \$4,457,202.50, an increase of \$671,738.53.

of \$2,986,148.82 over the same period a year ago.

Motor vehicle licenses for July totaled \$595,869.17 as compared to \$408,566.29 a year ago. Seven months total deposits were \$24,130,914.98; an increase of \$1,648,279.20 over the same period in 1946.

Cigarette taxes for July were \$2,289,485.15 compared to \$1,451,540.93; an increase of \$837,917.22. Seven months total for 1946 was \$14,179,423.00; an increase of \$4,534,069.16 over the \$9,645,353.84 deposited in the same period a year ago.

Rowe showed total collections deposited in the Bonus Bond Retirement fund totaled \$8,086,328.22 derived from cigarette taxes and \$4,758,694.81, racing taxes of \$2,880,758.41 and accrued interest on World War II bonus bonds of \$446,875.00.

HIGHWAY ACCIDENTS

A total of 153 persons were killed in automobile accidents on the Illinois highway system during July, an increase of 26 percent above the fatalities for the corresponding month last year.

More LIP . . . .

Now that the heat wave has been broken, we consider it safe to confess to a liking for hot weather. Don't get us wrong. We do not mean that we were in favor of the drought.

In thinking about the heat it seems to me that temperate zone residents should take a lesson from their tropical neighbors. They move at an even tempo, and knowing that the high temperature is always with them, do not get irked about it.

Thinking back it seems to us that if we could have convinced Mrs. Lip that the tropics were a good place to live we might now be in Central America, the South Pacific, or some other far away spot, living on a plantation, or what not.

For a changed person, with a change in temperature, we give you Madolyn Fisher. We visited with her Monday morning about 10 a. m. and we saw her Tuesday morning.

We used to think of vacuum cleaners as cleaners, but since coming to Sullivan we have been getting an education in their use. First, we find Mrs. Whitfield using hers to spray her roses.

We've another insurance story for you. One of the attractive employees in the office of his honor, the mayor—so it is told to us—was visiting in another Sullivan home Sunday when the fire alarm sounded.

The hands on the courthouse clock seem to be "off the beam." Since the wrist watch is in the repair shop we have had to depend on the courthouse to tell us when it is time for this and that.

Vets In Training Get More Money

Disabled veterans enrolled in educational and training courses under government sponsorship for rehabilitation purposes will receive an increase in their minimum allowances beginning the first of September.

The new law provides that those veterans whose disability rating is 30 percent or higher will receive \$115 a month if single and \$135 with one dependent.

ENTERTAINS FOR DAUGHTER

Saturday evening Mr. and Mrs. Truman Marble entertained at a dinner in honor of their daughter, Anna May, who was married the following day to Wayne W. Brummett of Humboldt.

TWENTY YEARS AGO

Clyde Patterson's herd of Jerseys led the state in the butterfat production with an average of 1,095 pounds of milk and 49.1 pounds butterfat per cow.

The class of 1925 presented the high school with a sun dial. Enough season tickets had been subscribed to assure a chautauqua for the next year.

The Farm Bureau picnic was held in Wyman park with 2,500 persons in attendance.

Carl Wolf was awarded a dozen golf balls for winning the Country club golf tourney.

The Bushart, Vaughan, Kincaide, McCarthy, Landgrebe, Beck, Sharp, Harry-Newman, Seitz, Pound and Dickson families all had reunions.

TEN YEARS AGO

Joy Frederick won the second place in the state on her outfit entered in the 4-H exhibits at the state fair.

Robert M. Root, one of the country's leading portrait painters died at his room in Shelbyville.

Alberta Monroe was married to William N. Byrkit in Decatur.

James Shull died from a paralytic stroke, at the age of 59 years.

A city tennis tournament was held.

Conservation Work To Be Resumed

Conservation activities by Moultrie county farmers under the 1947 Agricultural Conservation program (ACP) have been resumed according to Chairman Kimbrough of the County Agricultural Conservation committee.

Uncertainty in the amount of funds available for use this year necessitated suspension of the program for a period of several weeks. This situation has now been clarified and ACP activities have been resumed, he stated.

Surveys are now being made by county officials throughout the county to determine the amount of work done under the program during the first five months of this year, he stated. This will give some indication of the extent of funds available for practices during the remaining five months of 1947.

Chairman Kimbrough pointed out that one of the biggest problems farmers face in resumption of practices will be in obtaining and spreading conservation materials such as lime, phosphates, and other materials, and in obtaining the services of contractors to construct stock-water dams, terraces, and other practices requiring dirt-moving equipment.

In order to assure maximum conservation activity during the remaining months of the year, Chairman Kimbrough urges farmers who desire to carry out this type of practice to get in touch with contractors immediately and arrange for their services.

MONEY FOR HOSPITALS

Approximately \$2,770,000 federal money is now available for building local non-profit hospitals in this state under the Illinois hospital construction plan. A like amount will be available during each of the next four years.

Tax Increases in Counties Reported

Wabash, Coles and Johnson joined Pope and Pulaski this week as counties showing an increase in taxes over 1945 of less than five percent but the statewide average county increase remained unchanged at 18.6 percent.

With the latest batch of 27 counties added, the local taxes for Illinois showed an increase of \$21,875,370 in these 92 counties over 1945.

While 11 counties out of the 92 have reported gains of less than 10 percent over 1945, the 1946 leaders on the side of conservatism were Pope, up one percent; Wabash, up 2.1 percent; Coles, up 2.8 percent; Pulaski up 3.0 percent and Johnson, up 4.5 percent.

At the other extreme, Macon County continued to have the largest gain, 43.5 percent, however, White County moved into second place with 33.8 percent and Williamson dropped to third with 30.7 percent.

Counties which have not reported include Clay, Clinton, Iroquois, Jackson, Kane, Lawrence Pike, St. Clair, Sangamon, and Cook.

Next to the schools, the greatest increase in taxes was due to the cities and villages. They took an added \$3,413,045 in 1946, an increase of 21.2 percent. This compared with the previous average for 64 counties of 20.7 percent.

When lightning crackles, stay away from isolated trees or poles, warn Westinghouse engineers. If you can't get indoors, you will be safest in a steel-bodied automobile which will carry the charge from an ordinary lightning bolt harmlessly into the ground.

FUNDS FOR EDUCATION

Governor Dwight H. Green has authorized the expenditure of \$2,897,926 for construction and improvements at various state schools. The money will come from the omnibus public works appropriation passed by the 65th General Assembly.

The largest single item authorized by the Governor is an education building at Illinois State Normal university, to cost \$1,900,720. The sum of \$380,846 will be used for a women's dormitory at Northern Illinois State Teachers college at DeKalb.

Later a Jap bomber came over, scored a hit on the ship and put Sanford in the hospital.

Phosphate..

During the wet spell last Spring we kept storing up car after car load of PHOSPHATE at the low prices . . . while you couldn't get in the fields.

NOW--10,401, 100-lb. bags of 33% Rock Phosphate is on hand in our warehouse here in Sullivan---

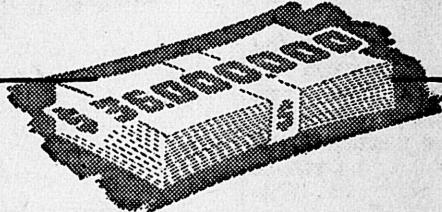

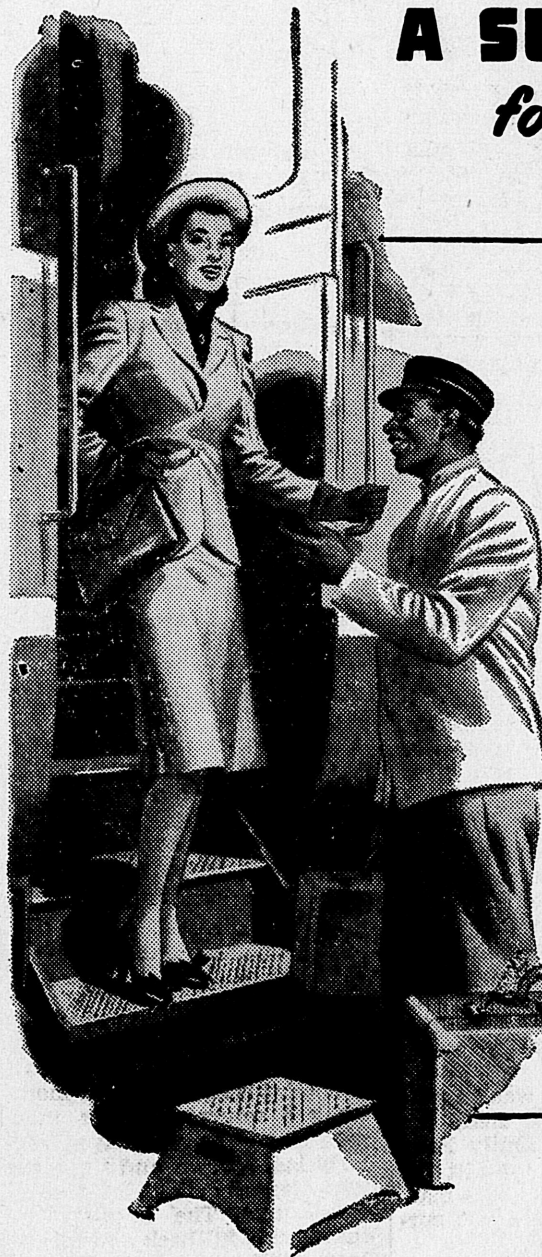

Box car shortage will prevent more deliveries this fall—but you can have phosphate now.

Increase yields, better pasture, more milk, and more beef profits are yours by spreading 1,000 lbs. of this fine ground, sure acting, long lasting phosphate.

Our low prices, and our complete hauling and spreading services will please you.

WM. S. McKOWN Farm Management and Engineering PHONE 4238 SULLIVAN, ILLINOIS East Side of the Square

What makes A SUCCESSFUL TRIP for you (or your freight)?

Maybe it's prompt arrival at the destination printed on your ticket. Or freedom from weather-worry. Or clean comfort, plenty of elbow room, good food and an opportunity to relax with a book or with fellow-travelers.

Or maybe what's more important to you is the delivery of a new refrigerator, a lawn-mower or a set of dinner dishes.

For whatever makes your trip a success you can thank an item on the Illinois Central's account books—an item that last year added up to 36 million dollars—the amount spent to keep this railroad's locomotives and cars in dependable, smooth-running order.

That's a lot of money. But not too much for a railroad pledged to earn your friendship and patronage by the quality and progressive spirit of its service.

**Flower And Garden Show Sept. 6-7**

The Decatur Community Flower and Garden Show will be held Saturday and Sunday, September 6-7 according to word sent here by Mrs. J. H. Ransom, general chairman of the show. It will be held in the Masonic Temple.

According to Mrs. Ransom, this year's show will surpass any of previous years. Garden Club members of Decatur and Macon County have been planning their displays since early spring, and have been "nursing" their flowers and vegetables along all summer.

Of special interest to show visitors will be the special home decoration, table arrangements, flower arrangements and shadow boxes set up by Decatur Garden Club members. The Decatur show is recognized as one of the finest in the middle west for the artistic character of these features, and has been commented upon highly by state Garden Club officials. A flower arranging and judging course held in Decatur last spring by the state club, and widely attended by local members, is expected to demonstrate its influence on this fall's show. The Decatur women bring out their choicest linens, glassware, china, silver and antiques for the dozens of artistic displays. Visitors look to the show for many original ideas for their own entertaining.

Hours of the show are to be Saturday afternoon and evening, 2:30 to 10 p. m. and all day Sunday, 10 a. m. to 9 p. m.

**STHS Graduates Enroll In Colleges**

Sullivan Township High school graduates who have enrolled in institutions of higher education for the coming term are listed as follows:

- DePauw University, Greencastle, Ind.—Peggy Wolf.
- Eastern Illinois State College, Charleston—Patsy Beltz, Eloise Elder, Don England, Joan Murphy, Anita Stewart, Carolyn Houser.
- Eureka College, Eureka—Louise Emel.
- Millikin University, Decatur—Brice Gustin, Walter Heckler, Bob Kelso, Virginia Wilson.
- University of Illinois—Sylvia Bolin, Dorothy Acuff, Gerald Carter, Lloyd Stone, Bill Stubblefield, Roger Stubblefield, Elaine Wood.
- Decatur and Macon County Nurses Training—Jeannine Houser.
- Caterpillar Tractor Company Training department—Gerald Burgner, Charles Grant, Teddie Sievers, Eddie Walker.

**IN AIR RESCUE WORK**

A recent issue of an Ogden, Utah, newspaper carried a picture of Lieut. Guy D. Carnine, taken with a crew of aerial fire fighters loading equipment for a flight. Lieut. Carnine is stationed at Hill Field, near Ogden. The group to which he is attached does air rescue work in that locality. They have a forest fire fighting unit, and do aerial search work.

**CHURCH SOCIETY TO MEET**

The Ann Julson Missionary Society of the Baptist church will meet at the church, Monday evening, Sept. 1 at 7:30 o'clock. Mrs. Velma Ray and Mrs. Gertrude Shirey are the leaders. All women of the church are invited.

It is believed that the total population of deer in Wyoming exceeds 65,000.

**Drive Safely On Labor Day**

Holiday travel over the Labor Day weekend portends a traffic toll of 32 deaths and 1,120 serious injuries in Illinois the Chicago Motor Club predicts.

This estimate is lower than the ten year high of 44 traffic deaths over the Labor Day weekend in 1940. Illinois cars will register 365 million travel miles in this period, which is 25 million miles short of the record holiday travel of July fourth.

Traffic observers and police authorities attributed the failure of the traffic toll to realize the statistical probabilities of the record holiday motor mileage Decoration Day and July 4 this year to the exceptional efforts of the press and radio to keep the highway hazards continuously before the motoring public, it was said. The resulting improvement in driving attitude and alertness greatly aided the effectiveness of traffic enforcement efforts by police.

Further favoring a better Labor Day accident record than the record travel mileage would indicate is the peak efficiency of traffic enforcement by police following a summer in which all previous highs for motor travel were exceeded by 15 per cent. The accident rate per 100,000 motor miles also is improved by at least 10 per cent over 1941 in Illinois, while Indiana showed an increase of 6 percent over 1941.

To insure safe driving, the following holiday travel program for motorists is recommended:

- (1) Drivers should not over exert themselves before starting on or returning from their trips. They must be physically and mentally alert to cope with situations which may arise in congested traffic.
  - (2) The mechanical condition of the car should be checked thoroughly. Fifteen percent of all traffic accidents are attributed to mechanically defective cars.
  - (3) Obey all traffic regulations and speed limits.
  - (4) Do not over indulge in alcoholic beverages.
  - (5) Leave a wide margin of safety when passing cars and under no circumstances pass on hills or curves.
- Local motorists can contribute to their own safety and convenience as well as others by using secondary roads to relieve congestion on main highways when the traffic volume is at its peak.

**WAS FLY FREE FAIR**

This year's Illinois State Fair was notable for something more than the extent and high quality of its exhibits. The great agricultural exposition, for probably this first time in its long history, was free from flies. It was difficult to find a single one of these loathsome insects anywhere on the grounds. A diligent search from one eating place to another, from barn to barn and pen to pen disclosed only a dozen or so flies all told. Mosquitos and other evening pests were also extremely scarce.

The reason was DDT. Throughout the ten days of the exposition a close inspection for flies was kept up at all restaurants, stables, garbage areas and toilets. Manure and garbage was moved daily so far as possible, and spraying was repeated when it seemed necessary. The result, no flies.

Dr. Roland R. Cross, State Director of Public Health, started and supervised the work.

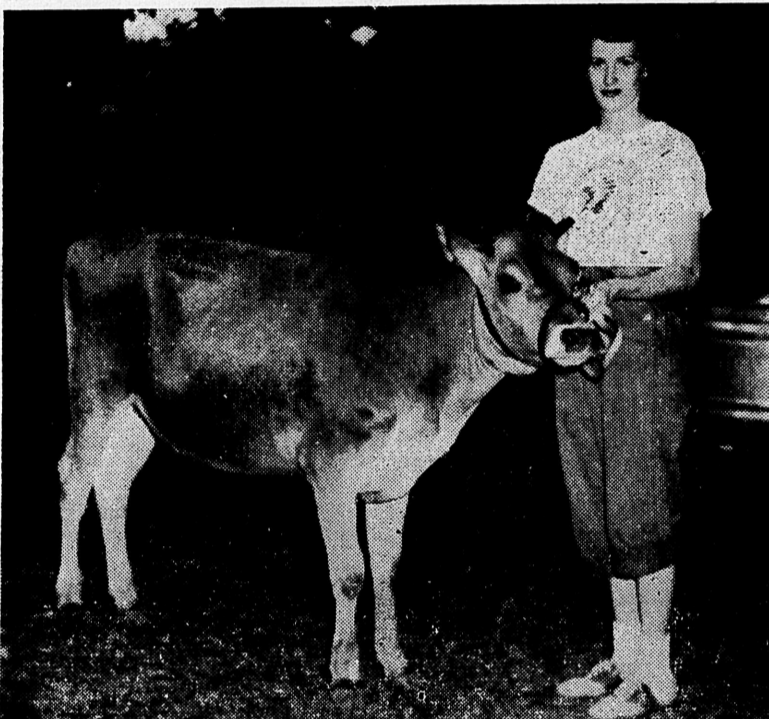

**Reserve Champion Holstein**

Mrs. Mason Piper is ill at her home near Sullivan.

Corwin Hamilton spent Tuesday in Chicago on a business trip.

Mr. and Mrs. Homer Johnson attended the funeral of John Brunchon at Harvel on Saturday. Dunn school will start on Tuesday, Sept. 2. Mrs. Ruth Martin is the teacher for the coming year.

Miss Harriet McHard of Aledo visited over the weekend in the home of Mr. and Mrs. Truman Marble.

Miss Joy Pearson of Decatur is visiting in the home of her uncle and aunt, Mr. and Mrs. Paul Stone.

Roger and Tommy Roley went to Arthur Tuesday to spend a week with their aunt, Miss Bertha Sexton.

Mrs. Stella Grigsby is leaving soon for Chicago where she will make her home with her daughter, Mrs. Mabel Moody.

Miss Patricia Ruth Freeman of Peoria is visiting her grandparents, Mr. and Mrs. Fred Sampson, for a few weeks.

Mrs. A. T. Simpson of Detroit is spending a few days with Mr. and Mrs. Homer Johnson and Mr. and Mrs. J. T. Enterline.

Bill Roley is enrolled at Brown's Business college in Decatur beginning Sept. 1. Bill is a member of the 1947 graduating class of Sullivan Township high school.

Mr. and Mrs. Merle Phillips and Ronald and Linda Kaye visited in Macon Saturday evening. Mr. Phillips and Ronald attended the midget auto races.

David Stanley Davis, small son of Mr. and Mrs. Charles Davis, is spending two weeks with his grandparents, Mr. and Mrs. J. J. Fisher and his uncle, Stanley Fisher, at Macomb.

Mr. and Mrs. Wayne Bruns of New Canton, spent Friday and Saturday here with their aunt and uncle, Mr. and Mrs. Lester Lippincott. Ann Lippincott of Decatur was also here.

Kenneth Roney, county superintendent of schools of Shelby county and Lester Heckert, assistant superintendent in the same county, were in Sullivan on the day on Friday.

Mr. and Mrs. Marion Freeman and children of Peoria spent the weekend here with Mr. and Mrs. Fred Sampson and other relatives. They also visited Mr. and Mrs. D. W. Freeman in Bethany.

Mr. and Mrs. Ray Heiland and daughter, Dorothy, of Findlay, Mrs. Ellen Heiland and Ed Heiland have just returned from a trip to Fargo, N. D., where they visited Mrs. Minnie Hudson and family.

Miss Barbara Little of Crawfordsville, Ind., was a guest in the Dr. Don Butler home from Tuesday until Saturday. Miss Betty Butler of Decatur was also home for Monday and Tuesday of this week.

Mr. and Mrs. Emerson Beeler and sons of Drexel Hill, Pa., and Mrs. Oscar Braggs of Arthur visited with Mr. and Mrs. Clark Jeffers Thursday afternoon. Mrs. Beeler and Mrs. Braggs are daughters of Mrs. Jeffers.

Ed Schultz is a patient in St. Mary's hospital, Decatur, going there Sunday evening. Mr. Schultz came to Sullivan a week ago to work with Robert Harvey in the Star Art Studio. He is suffering from an infection.

Mr. and Mrs. Paul Risley and son, Gene and Mrs. W. S. Reedy and Ola, took dinner with Mrs. Neva Fultz near Lakewood. Mrs. Reedy and Ola spent the afternoon at the Smith reunion at Forest park in Shelbyville.

Mr. and Mrs. J. B. Miller and sons, James, Bruce and Phillip left for their home in Lewiston, N. Y., Thursday after a visit with Mrs. Miller's mother, Mrs. Gladys Whitfield and other relatives. James and Bruce have been here since early July and the rest of the family came two weeks ago.

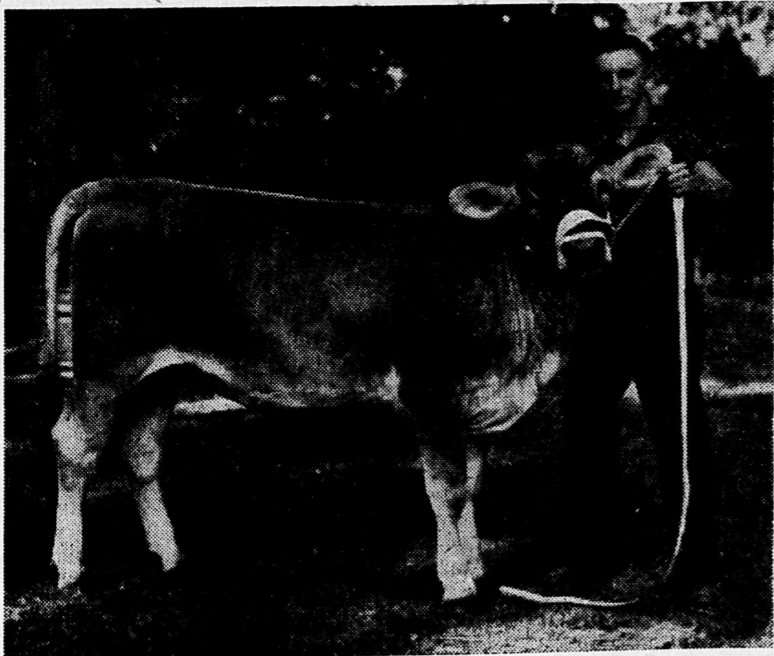

Mrs. Dwaine Atterbury entertained at a birthday party Friday for her daughter, Patsy, who was ten years old that day. Her guests were Frances Howard, Wanda Basham, Janice Albers, Arlene Barkley, Janice Murphy and Brenda Sullivan.

Mr. and Mrs. J. W. Bracken returned to their home Wednesday of last week from a trip to McGrath, Minn., and northern Wisconsin. They visited Mr. Bracken's sister, Mrs. Della Jeffers and family at McGrath. They were gone two weeks.

Mrs. Ivan Wood, Mrs. W. B. Kilton, Mrs. Levi Dickerson, Mrs. Elmer Leeds, Mrs. Loren Monroe and Mrs. Joe Wood went to St. Louis Monday and attended the Municipal opera, "Showboat" that night. They returned to Sullivan Tuesday.

Miss Gwendolyn Newbould returned home last week from a visit in the northern part of the state. She visited an aunt, Mrs. Frank J. Brewbaker at Elgin and her cousins, Mr. and Mrs. Clifford Williams and Mr. and Mrs. Harold Cooley at Kankakee.

## Patsy And Dale Are Winners

Dale Young of Windsor, is showing his Brown Swiss Heifer, Patsy. Dale took a blue ribbon in the class for yearling heifers at the Central Illinois Dairy Show.

Robert Whitfield came Friday for a visit with his mother, Mrs. Gladys Whitfield. He returned to Cincinnati, O., on Monday.

Mrs. Charles Davis returned to her home on Tuesday from Decatur and Macon County hospital where she had been a patient since Sunday.

Mrs. Marjorie Cooley and son, David, returned to their home at Normandy, Mo., on Saturday. Mr. and Mrs. Chalmers Newbould, parents of Mrs. Cooley took them to their home and will visit there and at the Lake of the Ozarks before returning to Sullivan.

Miss Marian Fitzgibbons left Sunday for Libertyville, north of Chicago, where she will teach art and English in the high school. Miss Fitzgibbons graduated from the Eastern Illinois State College at Charleston in June. She is the daughter of Mr. and Mrs. F. M. Fitzgibbons.

Mr. and Mrs. J. A. Sabin went to Chicago Wednesday with their son and daughter-in-law, Dr. and Mrs. A. L. Sabin, for a short visit and from there will go to Portland, Ore., for a visit with Mrs. Sabin's sister, Mrs. A. E. Bostic. Dr. and Mrs. Sabin have been visiting here for the last ten days.

Mr. and Mrs. Art Moberly have returned from their honeymoon trip to the east. They are living in their trailer at Hammond but will move it to Champaign in time for the fall semester at the University. Mrs. Moberly is the former Joyce Shasteen, the daughter of Mr. and Mrs. Carl Shasteen.

## Piano Pupils To Give Recital

The music pupils of Mrs. William Baumgartner will give a piano recital at the Methodist church in Sullivan Sunday, Sept. 7, at 3 p. m. The public is invited.

The following children will take part in the program: Alicia Harshman, Lenora and Mary Ester Kirk, Ruth Ann, Christine, and Katherine Elder, Carolyn and Sarline Seybert Juanita Jennings, Kay Eastin, Elaine Goodwin, Rosemary and Betty Martin, Betty Bundy, Janet Getz, Wilda and Marilyn Hoskins and Joyce Robinson.

## Dunn

By Lula Shipman

Raymond Robinson was taken to a Decatur hospital on Tuesday.

Bible school—9:30 a. m.
Morning worship—10:30 a. m.
During the vacation time the Bible School and Communion Service will be held. Bible School at 9:30 with Communion following immediately after. The next preaching service will be held on Sept. 7 at which time the evening services will start.

Little Business Before Council

Passage of the annual tax levy ordinance and the rejection of one, and approval of one, building permit, along with the allowance of current bills was the only business transacted by the city commissioners Monday night.

Broom Corn Harvest Under Way

The Central Illinois broom corn harvest has started in the Humboldt vicinity. Clarence Hovis, who lives southwest of that village, cut a 20-acre plot last week.

Report Misuse Of New School Law

President Charles B. Shuman of the Illinois Agricultural Association today urged rural people to vote down at this time any proposal for school reorganization that had not been approved by county school survey committees.

tees and we object to seeing the act misused.
'It would be most unfortunate if hasty, ill-advised action under the Community Unit District act would side track a more deliberate, impartial and practical school reorganization plan. Wisely used, the act can be of great advantage to the Illinois public school system,' Shuman concluded.

CLASSIFIED AD SECTION

NOTICE

### New Bill Makes More Normal School Scholarships Open

An estimated 1200 Illinois high school graduates of 1945, '46, and '47 became eligible to apply for unused college scholarships at Charleston, Normal, DeKalb, Carbondale, and Macomb when a bill affecting Teachers College scholarships was signed into law by Governor Green on July 21 of this year.

Before the passage of the new law, scholarships lapsed if not awarded, if the holder failed to apply at one of the colleges, or if the holder dropped out after entering. In recent years there have been many such cases. Many high school principals did not even certify candidates for the scholarships, which can be awarded in all Illinois schools. The larger schools receive up to three scholarships.

Alert youngsters in the upper quarter of their graduating class, even back to 1945, can now claim these unused scholarships by applying to their high school principals. The law is retroactive to 1945. Even students already enrolled in one of the colleges may find themselves eligible for one of the scholarships, which are worth in four years a maximum of \$360. They pay all tuition and fees at any one of the five teachers colleges.

A second change in the scholarship law makes it unnecessary for the holder to pay fees in advance. Heretofore, the student paid at the beginning of each term and was reimbursed later.

A study made in 24 central and eastern counties of Illinois in July and August of this year by Eastern Illinois State College of Charleston showed that scholarships were not issued in some 28 high schools of this area and that approximately one-half of the scholarship holders had not applied for admission as of Au-

gust 15, the last date for the first holder of a scholarship to apply. The principal will in most cases know whether the original holder has applied for admission at a teachers college.

#### CLUB AT MRS. TODD'S

The Garden club will be entertained in the home of Mrs. Margaret Todd on Friday afternoon, Aug. 29. Mrs. Flora Watkins will assist Mrs. Todd. Roll call will be answered with a naturegram and the program will be in charge of Miss Lou Phelps.

##### NOTICE OF PUBLICATION

State of Illinois, Moultrie County, ss. Vella Whitworth vs. Novel Whitworth. In the Circuit Court August 12, A. D. 1947. No. 47-56.

Affidavit that the defendant, Novel Whitworth, has gone out of this state so that process can not be served upon him, and that upon diligent inquiry his place of residence can not be ascertained. Having been filed in the Clerk's office of the Circuit Court of said County, notice is therefore hereby given to the said non-resident defendant that the plaintiff filed her complaint in said Court on the 12th day of August, A. D. 1947, and that thereupon a Summons issued out of said Court, wherein said suit is now pending, returnable on the 15th day of September, A. D. 1947, as is by law required. Now, unless you, the said defendant above named shall personally be and appear before said Circuit Court, on the 15th day of September, A. D. 1947 to holden at Sullivan, Illinois in and for the said County, and plead, answer or demur to the said plaintiff's complaint, the same and the matters and things therein charged and stated will be taken as confessed, and a decree or judgment entered against you according to the prayer of said complaint.

STANLEY R. DAVIS, Clerk Sullivan, Illinois, August 12, A. D. 1947. Joseph C. Munch, Complainant's Solicitor. 3313

##### NOTICE OF PUBLICATION

State of Illinois, Moultrie County, ss. Mary Thelma McArthur vs. William Donald McArthur. In the Circuit Court August 12, A. D. 1947. No. 47-55.

Affidavit that defendant William Donald McArthur on due inquiry can not be found so that process can not be served upon him, and that upon diligent inquiry his place of residence can not be ascertained. Having been filed in the Clerk's office of the Circuit Court of said County, notice is therefore hereby given to the said defendant that the plaintiff filed her complaint in said Court on the 12th day of August, A. D. 1947, and that thereupon a Summons issued out of said Court, wherein said suit is now pending, returnable on the 15th day of September, A. D. 1947, as is by law required. Now, unless you, the said defendant above named shall personally be and appear before said Circuit Court, on the 15th day of September, A. STANLEY R. DAVIS, Clerk Sullivan, Illinois, August 12, A. D. 1947. Joseph C. Munch, Complainant's Solicitor. 3313

### Windsor

By Isabel Martin

Mr. and Mrs. T. E. Carr were visitors with Mr. and Mrs. W. D. Martin Thursday evening.

Mr. and Mrs. Reason Davis are putting electric lights in the house on the farm which they purchased from Mrs. Mabel Rogers.

Mrs. Fern Bartley and Welna Bridges spent the weekend in Chicago with Mr. and Mrs. Ed Martin and daughter.

Horace Edwards and sons, Frank and Don, went to the State Fair last Wednesday.

Mr. and Mrs. Arthur Bush of Oblong were visiting in Windsor Sunday evening. Among their visits was with Mrs. Sarah Wallace. Mrs. Bush was the former Anna Gay Herron, daughter of the late Mrs. W. D. Herron.

The Illinois highway men are repairing the highway known as Route 32 between Sullivan and Windsor.

Mr. and Mrs. Roy Spencer spent an enjoyable day at the circus in Decatur Friday.

Mr. and Mrs. W. D. Martin and daughter, Isabel, attended the Dobson Reunion held at the small pavilion in the Nelson park at Decatur last Sunday.

They had the pleasure of meeting a cousin, Miss Isabella Dobson, who came over in an airplane from England for the reunion. This was Miss Dobson's first trip to America. Miss Dobson has taught school in England for the past forty-one years.

Jake Biedert and daughters, Wanda and Jean, attended the wedding of a cousin, Miss Gertrude McKinney, at the Riverside Baptist church in Decatur last Sunday.

Mr. and Mrs. George Luce and daughter, Katherine, and family from Chicago, ate supper with Mr. and Mrs. Everett Luce Monday evening.

Mr. and Mrs. Roy Spencer went to Findlay Friday to see their granddaughter, Mildred Eilene Cazier, and her parents, Mr. and Mrs. Jay Cazier.

Mr. and Mrs. W. D. Martin are remodeling by putting basement, furnace, stoker, bathroom and archways in their home.

Mrs. Sarah Ferrell and daughter, Edna Laverna attended the Goddard Reunion at Sullivan Sunday.

Windsor High school will begin Tuesday, Sept. 2.

Twin daughters were born to Mr. and Mrs. Louis Jordan, Saturday, August 16.

#### CELEBRATES BIRTHDAY

Mr. and Mrs. Merle Phillips entertained several friends and relatives on Saturday afternoon, Aug. 23, in honor of their son, Ronald's, eighth birthday which was Sunday, Aug. 24. Those attending were, Mrs. Fred Sampson and Ruth, Mrs. Frank Phillips and Raymond of Macon; Mr. and Mrs. Charles Powell and Mary Ellen of Chicago; Mrs. Aileen Kenny and Ricky, Mrs. George King, Anita, Donna, Elaine and Freddie King; George and Sue Ann Selby, Jack and Judy Buxton, Judy and Janice Veech, Bob Bullock, Joe Florini, Dick and Jerry Elder; Mr. and Mrs. Merle Phillips and Ronald and Linda Kaye. Refreshments of ice cream, a large birthday cake and candy were served.

Noted for some of the most varied geologic rock formations in the eastern U. S. is the region around Rosendale, N. Y.

#### HOME BUREAU MEETING

The Jonathan Creek Home Bureau unit met Thursday afternoon at the home of Mrs. O. W. Powell. Due to the extreme heat the meeting was conducted in the large basement there, where all members soon forgot the outside temperature. The meeting was called to order by the chairman, Mrs. Frances Powell. A very interesting minor lesson on artificial respiration was given and demonstrated by Mrs. Fred Kanitz and Mrs. John Dolan ably assisted by Mrs. Donald Taylor. The major lesson on "What's New in Public Health" proved to be quite different from what most of us expected. It dealt primarily with "What a County Health Department should mean to us." Just such a department is available to Moultrie county if enough interested persons get behind it. Many counties already are availing themselves to its many advantages. Let us put our shoulder to the wheel and place our community among those who believe in progress. This lesson was given by Mrs. Elizabeth and Mrs. Faith Ryan.

As a special project, county chairman of the school survey committee, O. W. Powell, explained the new unit system which will be voted on in the near future. This is an immense undertaking in the line of changes in Illinois schools and one in which every one should have a deep interest. The number of questions asked showed that our unit has given it much thought.

We were very happy to welcome Mrs. Donald Taylor and Mrs. Marvin Panky as new members to our group. The next meeting will be held at the home of Mrs. Bernice Daum. After light refreshments of iced lemonade and cookies the meeting adjourned.

—Reporter

In the last 10 months of 1946-47, \$160,000 worth of show dogs left Britain, more than half of them to American breeders and exhibitors.

#### YOUR LEGUME CROP IS THE KEY TO PROFITABLE FARMING

Feed your legume crop and it will feed the rest of the crops in your rotation! That's the key to building up your soil, increasing yields and increasing the VALUE of your farm at small cost! Thousands of farmers have proved that this is the system to use for profitable farming and permanent soil fertility! Lime acid soil, and spread Four Leaf Powdered Rock Phosphate NOW on clover and alfalfa fields, and on fields you'll seed to clover or alfalfa.

### Lake City

By Mrs. Sophia Connour  
Mr. and Mrs. Clarence Woodard visited Sunday at Newton. They attended the funeral of a nephew who was drowned. Mrs. Woodard remained for a week's visit.

Mrs. Maude Ward of Muskegon, Mich., visited her father, Henry Sinclair and brother and wife, Orval Sinclair, last week.

Mrs. A. V. Hamm and Bobby of Decatur visited on Thursday evening with Mr. H. S. Woodall. Alice Rich was a Decatur visitor Monday of last week.

Lever Rich went south for a truck load of peaches on Thursday.

George Ault and H. S. Woodall were Arthur visitors Wednesday. Mr. and Mrs. George Ault are away on a vacation.

Orval Sinclair visited Levy Baker and Ausbund Salling in St. Mary's hospital Wednesday. Bernard Salling of Detroit, Mich., was a caller here one day last week.

H. S. Woodall spent the weekend in Decatur at the home of A. V. Hamm and family.

Approximately 3,000,000 school children are studying instrumental music in the nation's public schools, according to the National Association of Music Merchants.

Bids will be received at the Moultrie County Clerk's office up to 10 a. m., SATURDAY, SEPT. 6, A. D. 1947. The right is reserved to reject any and all bids.

COUNTY FARM COMMITTEE

### Motor Laws Are Changed By New State Legislature

Changes in the state law having to do with financial responsibility of motorists in connection with automobile accidents were listed today by Secretary Edward J. Barrett. The changes are the result of action by the recent General Assembly and approved by Gov. Dwight H. Green.

One change extends the time for certification of a motorist involved in an accident. Formerly the Department of Public Works and Buildings was allowed 30 days in which to certify motorists to the Safety Financial Responsibility division under Secretary Barrett for failure to comply with the law.

Now, under House Bill 256 by Reps. Homer B. Harris, R., Lincoln; David Hunter, R., Rockford; Rollo R. Robbins, R., Augusta; and Fred J. Hart, R., Streator, the period in which to certify has been extended to 45 days to allow more time for checking on the accident.

The bill, signed into law on June 4 and effective on July 1, also provides that the law is to be known as "The Safety Responsibility Law," that the word "operator" is to be synonymous with the word "driver" and that data on accidents must be submitted to Secretary Barrett on request in specific cases.

Another change is that provided for in House Bill 260 by the same authors of House Bill 256, to place accidents involving death or injury in the same category as accidents involving only property damage. Formerly the law provided that accidents involving death and injury must be reported within 24 hours.

Now, under House Bill 260 which was signed June 4 and became effective July 1, the law is amended to allow 10 days instead of 24 hours in which to report accidents involving death or injury-the same as for property damage cases. This bill also makes it the duty of an automobile owner to report an accident if the driver fails to do so.

Under House Bill 338 by Rep. W. B. Westbrook, R., Harrisburg, the amount of the motor vehicle liability bond which owners of rented cars may file in lieu of insurance is increased from \$2,500 to \$11,000. The measure amends a section of the motor vehicle act to make such owners liable to the same extent as is required of drivers in the Safety Responsibility law.

Two others signed into law are House Bills 987 and 206. The first authorizes destruction of data in connection with automobile accidents and the second amends section 29j of the Motor Vehicle Act dealing with highway traffic violations by combining the two forms of the section.

House Bill 987 authorizes the director of the Department of Public Works and Buildings to destroy all records of accidents after the expiration of three years following the accident. It was offered by Rep. Homer Harris. House Bill 206 was sponsored by Rep. R. J. Branson, R., Centralia, as part of a series of 45 clarification measures.

### Gays

By Valerie Waggoner  
Aug. 22  
The Missionary society of the Christian church met with Miss Helen Kern on Wednesday afternoon.

Miss Minnie Shadow entertained at a picnic supper on Thursday evening. Those present were Rev. Mr. and Mrs. Kelly, Miss Florence and Miss Rose Mattox and Miss Marjorie Curry.

Riley Burcham of Decatur and Mr. and Mrs. Dean Clawson and children spent Sunday with Mr. and Mrs. Ray Waggoner and Mrs. Laura Burcham.

Mrs. Ella Moore went to Ashmore on Friday and attended the wedding of her granddaughter at that place on Sunday, returning home Sunday evening.

Mr. and Mrs. Ed Meyers and son, Earl and Mr. and Mrs. Harold Alexander and family attended a reunion of the Bost family in Mattoon on Sunday at the home of Mr. and Mrs. Charles Sullivan.

Owen Clabaugh was brought to his home here on Monday from Champaign where he had been a patient in a hospital. He is improving at this writing.

Mr. and Mrs. Rex Veech and children and Miss Mary Fuller of Sullivan, Mr. and Mrs. Joe Fuller and baby of Shelbyville, Mr. and Mrs. Kenneth Fuller and Mr. and Mrs. Ralph Fuller of Chicago all spent Sunday with their parents, Mr. and Mrs. D. E. Fuller and helped them celebrate their thirty-sixth wedding anniversary.

Virginia and Bobby Hughes are visiting their grandmother, Mrs. Frances Hughes.

Mr. and Mrs. Ward Walker of California are visiting his parents and other relatives and friends here.

### Suggests Corn Borer Control With DDT Dust

A 5 percent DDT dust applied at the rate of 25 to 30 pounds an acre is suggested for corn borer control by G. C. Decker, entomologist, State Natural History Survey and the University of Illinois.

From one to four or five applications will be needed. If four or five applications are to be used, the first should go on a day or so after the first eggs hatch in the field. If fewer applications are to be made, start four or five days later, and if only one is to be made, apply it about 10 days after the first eggs hatch.

Decker questions the advisability of treating corn in the general area of Champaign county where the infestation of corn borers is comparatively low. Farther north and west, however, treatment should increase the margin of profit.

"Our research on insecticides for corn borer control indicates that, where borer populations are high, treatment of early-planted corn, which we all know is most severely damaged, will pay dividends," Decker said.

At present DDT and a new material called Ryania seem to be outstanding for control operations. Both may be used as sprays or dusts. However, DDT has the advantage of availability, as Ryania is handled by only a few dealers.

When DDT is used as a spray, use either two or three pounds of a 50 percent DDT wettable powder or one quart of a 25 percent DDT emulsion concentrate in 100 gallons of water, and apply 100 to 150 gallons an acre. As a dust Decker recommends applying a 5 percent DDT dust at the rate of 25 to 30 pounds an acre.

To obtain the maximum protection on heavily infested corn, four and sometimes five applications of spray or dust should be made at about five to seven-day intervals. Four applications at about five-day intervals will usually give 90 percent control or better. Market gardeners who produce early roasting ears must strive for perfection, and they usually use a four of five treatment schedule.

Decker pointed out that one or two treatments will affect 50 to 70 percent of the total control accomplished by a full schedule of treatments. Therefore producers who want protection from serious losses but who are not striving for nearly perfect ear protection often choose to use a reduced number of treatments, the number depending on the value of the crop or the seriousness of the infestation. Canners often use three or four treatments, hybrid seed producers one, two or three, and the producers of field corn only one or two unless they are shooting for a yield record.

There is considerable variation in cost, depending on the equipment used, quantities of material purchased and other factors. Last year cost figures reported by several growers ranged from \$1.75 to \$3.50 per acre per application for materials and labor.

**4,126,903 TONS IN JULY**  
The coal produced by the shipping mines of Illinois during July amounted to 4,126,903 tons, as against 4,057,299 tons in June, according to the monthly report of the state department of mines and minerals. The July production came from 31 strip mines which employed 4,562 men and turned out 1,558,865 tons, and from 61 shaft mines employing 18,711 men and hoisting 2,568,038 tons.

### West Prairie

By Mary Miller  
Sunday church services were held at the homes of Ervin Gingerich, Reuben Yoder, Mose Mast, and Joas Schrocks.

Mr. and Mrs. Dan Yoder are the parents of a little son.

Mr. and Mrs. Henry Hochstetler and daughter, Mary Ellen, Mr. and Mrs. Eli Yoder and son, Harley, Katie Yoder and Olan Miller all from Nappanee came last Monday to visit relatives. They left for home again this morning.

Mr. and Mrs. Levi Miller and son Vernon from Indiana came to get Mrs. Sarah Miller also from Indiana, last Friday evening. They left for home Saturday morning.

West Prairie School will start today.

We had some rain last night which was really needed. They haven't very much to can at the canning factory at present.

Mr. and Mrs. Levi Stutzman, Mr. and Mrs. Alvin Kaufman and children, Mr. and Mrs. Joe Graber and Mr. Amos Graber left for Ohio Sunday morning to attend the funeral of Jonas Otto.

### E BOND SALES UP

July sales of \$50,433,000 brought the seven month Illinois Saving Bonds total to \$394,706,000, as reported by Arnold J. Rauhen, State Director of the Treasury's U. S. Savings Bonds Division.

Serie E sales for July were \$30,202,139; Series F, \$2,363,449, and Series G, \$17,867,500.

"Sales of all issues resumed an upward trend, which is particularly significant since the farmers of Illinois are seasonably not as active buyers as in the fall and winter. When farmers begin to market their crops we

should again have the usual large volume from downstate rural areas", said Mr. Rauhen.

The fact that E Bond sales showed a marked upturn indicates the success of the June-July campaign to increase the number of payroll savers and to introduce the new Bond-a-Month plan.

A century ago the Japanese

government permitted only physicians to learn the Dutch language. As a result, everyone who wished to learn Dutch professed to be a medical student and 3,000 pupils are said to have passed through the Osaka medical school in 24 years.

# ... AND SPEAKING OF TELEPHONE BILLS ...

Don't forget that not all your monthly remittance is retained by the telephone company. A portion of your total bill, as you know, goes to the Federal government in the form of excise taxes.

The tax on local service rentals and on all toll messages under 25 cents is 15 percent. On toll messages of 25 cents and over, the tax is 25 percent. For example: If your local bill for monthly service is \$3.45, forty-five cents of that amount is tax. If you have a toll bill for the month of \$5.00, one dollar of that is tax. We merely collect the tax and pass it on to the government.

Taxes represent a substantial portion of all telephone bills. It is hoped that the excise tax on telephone service will soon be reduced or abolished.
