THE JONES STORE

SULLIVAN, ILLINOIS.

The Store that
saves you money
on what you buy.
WE SELL FOR CASH ONLY.

A BEAUTIFUL PRESENT TO EVERY LADY VISITING THIS STORE SATURDAY, MAY 21.

The Jones Store, the New One in Sullivan, will open SATURDAY, MAY 21.

It will be the policy of this store to furnish the trading public of Sullivan and surrounding towns with Reliable Merchandise at lower prices than can be found elsewhere. There are two reasons why we can do this:

FIRST—This entire stock was purchased in the big trading centers of the east for SPOT CASH, every possible advantage in discount being taken.

SECOND—We will sell for CASH ONLY. We believe you can see at once that when a store sells for cash only, it can sell at a less margin of profit than credit stores. We lose nothing in bad debts, have not the expense of bookkeepers and the expense of collecting bad and doubtful accounts.

These are, we believe, good reasons why this store should be given a thorough look before making your purchases elsewhere. We cannot quote a list of prices at this time, but we can call your attention to the different lines of merchandise you will find here:

Dry Goods, Notions, Tinware, Granite Ware, Galvanized Ware, Hardware, Gents' Furnishings, Cutlery, Harness Supplies, Whips, Stationery, Window Shades, RUGS and LACE CURTAINS.

In Every One of These Lines You Will Find Red Hot BARGAINS!

Study the meaning of the word BARGAINS. Its money in your pockets. Saving you money makes us money, and that is what we are in the business for. We want every man, woman and child to visit this store Saturday, May 21. Remember, a beautiful present to every lady on that day.
