The fortune teller that was here last week, shook the dust from her pedal extremities and with her nose in the air, turned her back on Sullivan and Sullivan people, saying, "she never landed in such a place, no money in the town." There is money in the town and always has been brought out for a good cause. She should have said "I can't get my fingers on it." The fact of the business is Sullivanites know full well that the day of fortune tellers and prophecies fall to nothing outside the lids of the Bible. So we say, good Madam Fortune Teller, go to work, as is intended to earn a living. It is easy enough to predict the fortune of those expecting to get along without honest labor.

Lovington Grade Teachers.

Lovington grade teachers have been employed as follows:  
W. W. Rose, eighth grade, \$77.50 per month.  
Miss Bertha Lechner, sixth and seventh grade, \$60.00.  
Miss Ethel McDavid, third and fourth grade, \$55.00.  
Miss Flora Garrett, second grade, \$55.00.  
Miss Jessie Wells, primary, \$60.00.  
It will be noted that the Lovington schools pay much better wages in every grade than the Sullivan schools. The above teachers have all accepted the positions except Miss Wells who is to let the board know in a few days. Should she decide not to return Miss Garrett will be assigned to the primary department.—Lovington Reporter.

WEAK FROM SUFFERING  
UNABLE TO PERFORM WORK

Discouraged After Spending Money Without  
Benefit—Found Help at Last.

Mr. Earl McCoy, living at 1506 So. Branson Street, Marion, Ind., has passed through an experience that is being duplicated every day in every town and city of every consequence in the United States. It furnishes abundant proof of the correctness of L. T. Cooper's theory in regard to the degeneracy of the human stomach, and shows conclusively the merit possessed by his New Discovery medicine to restore the weakened system to full strength and vigor.  
Mr. McCoy says: "For a long time I have been a sufferer from stomach trouble. I was unable to retain any food, and became so weak and run down that I was compelled to stop work. My system was nearly a wreck, and I had tried so many remedies and spent so much money without deriving any benefit, that I became dis-

In Moultrie county, Illinois, fifty years ago April 14th, were united in marriage Mr. and Mrs. W. T. Bourne. At the ceremony were present two other couple, a sister of the bride, Miss Sivilla Cropper and William Curry and an intimate friend, Miss Sarah Curry and William Hendrix who were made husband and wife at the same time, Rev. John Turner performing the triple ceremony.

At their beautiful home in Algona, Kansas, after half a century their children and friends gathered to wish them joy and tender many congratulations on their golden wedding anniversary.

The reception was like a great gathering of old settlers, as well as of the new comers, and it was remarked by many that it was so enjoyable because of such a mingling of old and new, and such a lack of stiffness and formality which often times mar a gathering of that kind. The beautiful home was opened from two to six for the reception which was under the auspices of the Womens' Christian Temperance Union and the Relief Corps and they are to be congratulated that through their efforts it was made such a success.

Among the guests we noticed the pastors of at least three of the leading churches and also the editors of three newspapers, lawyers, business men, bankers and farmers, all going to show the kindly feeling and admiration of all the community in which they have lived so long.

Dainty refreshments were served in the dining room, forty being served at a time, the younger members of the society serving. During the afternoon Rev. Holmes presented Mr. Bourne with a gold handled fountain pen and Mrs. Bourne a crescent pin in behalf of their friends. On a small table were many personal gifts from many friends. In reply to Rev. Holmes, Dr. Bourne referred to their leaving Illinois and their old friends of younger days.

The home was beautifully decorated in gold and white, and the dainty souvenirs were tied with a bow of gold.

Mr. and Mrs. Bourne have three children. Mrs. Sarah Foster of Chicago.

The floral decoration of the home was the yellow daffodil emblematic of an April day when

You promised to be mine  
To sail with me over life's rough sea  
You plucked a yellow daffodil  
And smiling sweetly gave to me.

And on our golden wedding day  
This same sweet flower I give to you  
It tells of love and by-gone days  
When beauty sat above thy brow.\*\*

Moultrie County Fair.

The directors of the Moultrie County Agricultural Association held a meeting Saturday evening at the new American Hotel to make the necessary arrangements with Lawrence Purvis for the holding of the second annual fair of Moultrie county. The fair will be held the week of September 14th, which is the corresponding week upon which the fair was held last year. The premium list is now being revised and will be ready for distribution in a few weeks. The officers of the fair are practically the same as they were last year. It is the intention of the directors and officers of the association to hold the fair on the same high moral plan that it was conducted last year.

The officers are hoping that the exhibitions in all departments may be more complete than they were last year. It will be remembered that the live stock exhibitions were very excellent last year and that the speed department was all that could be expected of any county fair.

The premiums offered by the association are all very liberal. The grounds have been enlarged by enclosing five acres upon the south, which gives ample space to accommodate the departments of the fair. Mr. Purvis has had three new wells sunk upon the grounds and a good fence will be placed upon the south and east of the grounds. We will give from time to time some special features which will be of interest to all persons interested in seeing a good fair held in Moultrie county.

Mrs. Elizabeth Robinson is visiting her son, Enos in Newman.

A Novel Introduction.

The Dr. Howard Company have entered into an agreement with J. R. Pogue's drug store, by which a special introductory offer will be made of 25 cents on the 50 cent size of their celebrated specific for the cure of constipation and dyspepsia.

So remarkably successful has Dr. Howard's specific been in curing constipation, dyspepsia and all forms of liver trouble, that J. R. Pogue will return the price paid in every case where it does not give relief.

Headaches, coated tongue, dizziness, gas on the stomach, specks before the eyes, constipation and all forms of malaria and liver trouble are soon cured by this scientific medicine.

J. R. Pogue has been able to secure only a limited supply, so everybody who wishes to be cured of dyspepsia or constipation should call upon him at once or send 25 cents by mail, and get 60 doses of the best medicine ever made, on this special half price introductory offer, with his personal guarantee to refund the money if the specific does not cure.

I have been somewhat costive, but Doan's Regulets gave just the results desired. They act mildly and regulate the bowels perfectly. George B. Krause, 306 Walnut Ave, Altona Pennsylvania.

Happy Women

Plenty of them in Sullivan, and good reason for it.  
Wouldn't any woman be happy, After years of backache-suffering, Days of misery, nights of unrest, The distress of urinary troubles, She finds relief and cure?  
No reason why any Sullivan reader should suffer in the face of evidence like this:

Mrs. L. Hapner, West Side, Sullivan, Ill. says: "I take pleasure in recommending Doan's kidney pills, knowing from my own experience that they deserve endorsement. I suffered a great deal from kidney disease for several years. I had severe headaches and pains in the small of my back, often felt languid and seemed to have no energy. My kidneys were also weak and caused me much annoyance. I finally sent for a box of Doan's kidney pills at Hall's pharmacy and began their use. They banished all the pain in a short time and I feel perfectly well now. It required less than three boxes of them to bring about this great change.

### Grand Gold Medal Contest.

Five bright young people entered into the oratorical temperance contest in Bethany Tuesday evening. Among the number was Bryan Arthur Smith, who won the grand gold medal, son of J. H. Smith and wife, the clothier on the west side of the square. Arthur is a bright, ambitious, industrious, manly, little boy eleven years of age and very deserving of the honors.

We are pleased to know that by patience and perseverance he has at last reached the goal he was aiming at. He is not the boy to stop and slay, he will at once fix another high mark and work to it.

We congratulate Arthur, not alone as being the owner of a gold medal so much, as we do his being a jewel that his father and mother are proud to own, and an ornament in any place or assembly.

### Right Will Prevail.

E. Dodson an ex-saloon keeper of Virden, attempted to show his disapproval of the Anti-saloon League by attacking the Rea. William Brandon, Saturday morning in front of the State Bank at Virden. Rev. Brandon, in "self-defense," proceeded to administer a sound thrashing, and was doing a good job when the policeman arrested Dodson and took him into court, where he was given a trial and fined.

Rev. Brandon is the pastor of the M. E. Church in Virden, and took an active part in the local option campaign and was instrumental in driving the gamblers out of the city.

Rev. Brandon is well known in Sullivan and Bethany, and no one who knows him can censure him for standing up for the right and emphasizing it if necessary.
