

## DEATH OF STARBUCK

After an illness of Two Years, one of Sullivan's Favorite Young Men Passes Away

Following an illness lasting over two years during which time there were periods when complete recovery seemed near, J. M. Starbuck, better known as "Roe" Starbuck, passed away Tuesday morning about 8 o'clock at the home of his parents, Mr. and Mrs. R. B. Starbuck, on South Twenty-sixth street, Mattoon. About a month ago the deceased appeared so well and strong that he expressed the determination of soon returning to his old position as agent for the Illinois Central at Sullivan. Two weeks ago he suffered a complete collapse, which came without warning, and since then, up to the time of his death, he had been unconscious.

The funeral services were held at the residence at 3 o'clock Wednesday afternoon, conducted by Rev. E. M. Martin of the First Presbyterian church and Rev. Arthur Goodger of Trinity Episcopal church. The remains were brought on Thursday to Sullivan to the residence of F. E. Pifer, where friends viewed them, and later were taken to Mt. Pulaski for burial. At Sullivan the funeral party was joined by the Masonic lodge, which had charge of the rites at the grave.

"Roe" Starbuck was born in Ridgeville, Ind., Nov. 19, 1875. He came when sixteen years of age with his parents to Mattoon. He took up the study of telegraphy, and during a number of years following he acted as relief agent on what is now known as the Peoria division of the Illinois Central, filling places all along the line. Through efficiency he was promoted to the position of agent at Sullivan, which position he held for seven years. Two years ago he was stricken ill, when he was compelled to surrender his place to another temporary agent.

An effort was made to regain his health at Northcote, Minnesota, where he spent several months during 1907. There came but temporary periods of relief.

Mr. Starbuck and Miss Mary Weston were married in Mt. Pulaski on July 26, 1904. There are no children. Besides the widow, there survive the parents, Mr. and Mrs. R. B. Starbuck, two brothers, Charles Starbuck of Mattoon and R. H. Starbuck, Chicago, and one sister, Miss Della Starbuck at home.

### Court House Elevator

The work of installing the elevator in the court house has begun, and the brick wall has been removed in the halls to give place to it. The position is next to the coroner's room in the court house.

J. S. Hortenstine, B. W. Patterson, S. M. McReynolds and W. L. Bailey, buildings and grounds committee, have let the contract to the Otis elevator company of Chicago. The contract being about \$250.

### Miss Kate Shaw

Milton David, our popular hero, who was dealer, gives away a stove every year as an advertisement.

Saturday, September 26, was the day set for the annual drawing this year. Miss Kate Shaw of Sullivan held the lucky number that drew the stove, an elegant Estate Oak, one of the best heaters on the market.

Mr. David manages the drawing in a systematic and in such a straight forward manner that every one is satisfied, yet regretting that they did not hold the lucky number. As the tickets were handed out Mr. David kept the stub and registered the name of the one getting the ticket. At the drawing, the first stub taken out was No. 2646; Miss Kate Shaw's showed the other part of the ticket and that gave her the stove.

A large crowd was in front of Mr. David's store, which began collecting as early as 1 p. m., but they soon dispersed as one call did it.

### Prize Again

Bert Tudor of Lake City was released from the county jail Wednesday evening after being confined long enough to lay out a \$40 fine at the rate of \$5.00 per day.

The trouble arose over the violation of a resolution of act enacted by school directors forbidding others than school children playing any games on the school ground.

It seems that Mr. Tudor was careless or thoughtless, and to all appearances is a creditable young man. He freely confesses he has made a mistake and will do his best to keep out of trouble hereafter.

He did nothing disgraceful, yet school directors are required to take care of the school house and school grounds. It is annoying to teachers and pupils to have the school house yard used for a play-ground by others than the pupils.

Mr. Tudor states he had no money to pay his fine, and did not want his friends to know. That he chose the lesser of two evils hoping that no disgrace will attend him, and that this will not hurt him in the least. We trust that the good people of his vicinity will be charitable and let bygones be bygones.

### Body Taken to Grave on Dray

Shelbyville, Ill., Sept. 18—Edward Petty, the heaviest man in Shelby county, was buried from his home four miles south of Cowden this morning. His weight was 450 pounds, and death was caused directly from a congestive chill, though he had been troubled with fatty degeneration of the heart for some time.

Undertakers had no casket large enough for the remains, and a specially constructed casket was gotten from St. Louis. Neither was there a hearse large enough to receive the coffin, and it was conveyed to the grave on a dray. Mr. Petty was the son of Amos Petty, and was 26 years old.

In Ma's New Husband," which comes to the Titus Opera House for one performance next Thursday evening playgoers are promised a farcical-musical treat of the merriest kind. It has scored heavily in other cities in which it has been played and from all accounts has proved a vogue for all who crave entertainment of a light, clean, snappy and lively type. No less than eighteen musical numbers, everyone of them new, are on the program.

A few nights ago it is claimed that Grider while driving down one of the main streets of Windsor ran into a buggy in which were seated the two plaintiffs, and that both were thrown to the ground and Elizabeth Harder seriously hurt.

Grider claims he was not responsible for the mishap.

## OBITUARY.

Arthur Bland, shot himself a few days ago in Montana. He died Saturday night. The remains arrived in Findlay and were taken to the home of his mother Mrs. Nancy Bland.

Mr. Bland had lost his position on a ranch by some foul untruth spoken by a woman, which so enraged him, that he shot the woman, then realizing what he had done he put a bullet into his own brain, which caused his death. The woman will recover.

It is sad indeed and all brought about by a slanderous tongue.

His brother Eugene and sister Mrs. X. Wallace were with him when he died.

Besides the relatives referred to he has two brothers, Wm. Bland living on Spruce Wood and James Bland living in Ray Bland of Findlay and sisters Mrs. Oscar Danzeisen of Decatur, Mrs. Harry Foster of Findlay and a cousin Perry Bland living in town.

TRIUMPH OF DEMOCRATIC PRINCIPLES IS IMPERATIVE.

THE MAN AND THE HOUR.

With the Nomination of John A. Johnson, Progressive Democrat of Integrity, Ability and Achievement, Success is Assured.

Wearied of 12 years of overwhelming defeat in national elections, during which time the party has lost national political control of every northern state and has witnessed devastating inroads even on the southern states...

The best of armies, military or political, require some measure of success to maintain their spirit and efficiency. Continuous and overwhelming defeat, even in the worst of causes, disheartens the strongest men.

Conditions are such in this year 1908, that a united Democracy, supporting a strong presidential nominee, can win the presidential office and open the way for a return of the Democratic party to power.

Victory can be achieved this year, without unduly taxing our strength...

**Use of Injurious Drugs.**

Great inventors often have been praised for surrendering the secrets of their discoveries. Practically the same thing happened in the medical world in the case of Dr. Doan's Kidney Pills, the eminent skin specialist.

Dr. Doan, in his own office practice, discovered that pure vegetable oil of wintergreen, properly mixed with other simple remedies was a cure specific for eczema, psoriasis, barber's itch, salt rheum, and other itching skin diseases. The oil of wintergreen alone was found ineffective. He required other mild ingredients such as glycerine and thymol compounded with the wintergreen to produce the real eczema cure.

This compounded D. D. Doan's Prescription positively takes away the itch at once—the constant it is applied to the skin. This vegetable liquid does away with deleterious drugs so long used in an attempt to doctor the blood, where a modern science has determined that eczema is first and all the time a skin disease.

If you want to know more about the merits of D. D. Doan's Prescription, call at our store. We touch for this remedy. Sam B. Hall

**They Never Fail**

That is what they say about them in Sullivan, and it is therefore, reliable.

Another proof, more evidence, Sullivan testimony to swell the long list of local people who endorse the old Quaker remedy, Doan's Kidney Pills. Read this convincing endorsement of that remarkable preparation:

Eljah Smith, Sullivan, Ill. says: "I have found Doan's Kidney Pills to be a good remedy for kidney trouble. I suffered from this disease for some time. My back being lame and painful me a great deal. I was across the kidneys. Finally I heard of Doan's Kidney Pills and obtained a box at Hall's Pharmacy. I took them and they gave me relief in a very short time, banishing the pain and soreness. I hope others who suffer from kidney trouble or bladder trouble, try them."

Mrs. George Fifer, wife of a well known farmer living near Arthur, was perhaps fatally injured on Tuesday afternoon, when she attempted to stop a runaway team at her home. The animals were attached to a mowing machine when they became frightened and started to run. Mrs. Fifer ran from a porch and grabbed hold of a bridge. The machine struck a telephone pole, and this threw the horses suddenly to one side, and one of them fell upon the unfortunate woman, crushing her severely about the body and breaking several ribs. The injury, which it is thought will result in death, was to the liver. Mr. Fifer is a relative of the late Gov. Joseph W. Fifer. Mrs. Fifer is about 45 years old. There are several children.
