ANNOUNCEMENTS.

FOR REPRESENTATIVE
Some time ago, The Times mentioned the fact that Tom Lyman was being urged to become a candidate for the minority representative in this district.

Since then both the democratic and republican press of the district have commented favorably on the proposition and we are authorized to state that Mr. Lyman will be a candidate, subject to the democratic primary election in April. That Tom Lyman will make a creditable representative no one who knows him can doubt for a moment and certainly no man in the district has done more for his party or earned a better title to such recognition. He is a broadminded man, of exemplary habits and unquestioned integrity; devoted to his friends and fair to his competitors.

As an evidence of the esteem in which he is held by his neighbors and the people of Champaign, we refer to his vote two years ago for highway commissioner in this township when he was elected over one of the most popular men in the county, overcoming a normal republican majority of about 700.

Mr. Lyman was urged to become a candidate two years ago, but he refused for the reason that he believed Champaign county was in honor bound to support a Moultrie county man for the place. Tom was born and reared on the farm he now occupies about six miles southwest of the city of Champaign. He has always taken a lively interest in all public questions and is now president of the Champaign County Good Roads movement. Tom has hosts of friends in every section of the county, who will take pleasure in helping to send him to the legislature.—Champaign Times.

CIRCUIT CLERK
Victor Rhodes of Lovington authorizes us to announce his candidacy for circuit clerk subject to the democratic primary.

Mr. Rhodes is at present teaching at Kirksville but will give up the school and begin an active campaign of the county in a short time.

Mr. Rhodes is as well qualified in every respect to do the work in the circuit clerk's office as any man who ever made the race for county office.

Mr. Rhodes has made a success at farming and school teaching and has a wide experience in business. He stands high in his own community and in localities where he has been engaged teaching, and is worthy the support of the voters. He is a staunch democrat and has always taken an active interest in the party's candidates. We know of no one better qualified for the position of trust than Mr. Rhodes. If nominated and elected he will make a courteous, trustworthy and capable official.

SUPERVISOR
B. W. Patterson authorizes us this week to announce his candidacy for the office of Supervisor of Sullivan township subject to the Democratic primary.

Mr. Patterson has served four terms, eight years in succession, as supervisor of Sullivan. He was elected in 1902 and served until 1908.

During his term of office he was chairman of the board three years, and was one year chairman of the building committee of the court house.

Mr. Patterson is too well known and acquainted in Sullivan township to need any comment or introduction from us. He is personally known to most of the voters. If nominated and elected he will be guided by his better judgment and fill the duties of the office to the best of his ability.

ASSISTANT SUPERVISOR
R. C. (Dot) Parks authorizes us to this week announce his candidacy for the nomination for assistant supervisor of Sullivan township, subject to the decision of the democratic primary.

Mr. Parks has served four years or two terms in succession in this office, and is well known to the voters of Sullivan township. He is at present engaged buying grain in Kirksville.

His business relations with the public both in trading and official duties are sufficient to recommend him to the voters.

JOHN A. BROGAN.

John A. Brogan announces his candidacy for the nomination for the office of tax collector subject to the Republican primary. Mr. Brogan has spent most all his life in Sullivan. He is honest, upright and ambitious. He has worked hard for the support and education of his family and deserves the recognition of his party and others. He is capable of discharging the duties of the office he aspires to, and if nominated and elected will discharge the duties of the office to the honor of those supporting him.

TAX COLLECTOR
Lee Taylor instructs us to this week make the announcement that he is a candidate for tax collector of Sullivan township subject to the action of the democratic primary. Mr. Taylor has spent most of his life in Sullivan.

He is a laboring man, one of the first carriers on the rural mail route. His trade is that of a carpenter.

He is capable of filling the office and is too well known to need an introduction from us.

TOWN CLERK
Albert Brown authorizes us this week to announce his candidacy for the nomination for town clerk subject to the decision of the democratic primary. Mr. Brown is well and favorably known in Sullivan and is capable of filling the office he aspires to.

The Adkins Will Case

The Staunton Adkins will case, which was heard at the March term of the circuit court last year, is to be tried again at the next term of circuit court.

In the former trial the jury sustained the will and the contestants took an appeal to the supreme court, and that tribunal reversed the action of the lower court and remanded it for a retrial.

The attorneys for the contestants are E. J. Miller, F. M. Harbaugh, F. J. Thompson of this city and Herrick & Herrick of Farmer City. The defendants will be represented by J. E. Jennings and E. E. Wright of this city and Leforgee and Vail of Decatur.

The estate is valued at near \$400,000 and the case has attracted general attention throughout the county.

It promises to be as hotly contested as at the former trial.

For Better Sullivan.

Rev. A. L. Caseley will deliver a lecture, Tuesday January 23 at 2 p. m. in the Sullivan M. E. church to the women of Sullivan and vicinity. All clubs, the W. C. T. U., Ladies' Aid, Missionary societies, any and all organized bodies of women are urged to be present. The subject of Rev. Caseley's lecture is "The Betterment of Sullivan." A splendid musical program will be rendered.

OBITUARY

MRS. JOHN BOLIN.

Mrs. Bolin was so very kind and loving to all who came in contact with her. Her home was not only open to all but she held out an appealing invitation to all her friends. She was very happy in serving others, she gave her life to help and cheer others at all times. She lost sight of self in trying to make her companion, her children and her neighbors happy.

I have said nothing of the family. She had a noble family of husband and children. Few people have lived who did more for those around them than Mrs. John Bolin who left this life a few days ago. Much of what she lived and what she did will live in the lives of the people of Jonathan Creek. It will not be the same community for some of us, for we will miss her warm spirit that she carried to the "Old church" and in her home. No home in Moultrie county was more open to all and in none could one feel more at home.

Only the soul that came in closest contact with her could feel but not express the meaning of her noble life. There was nothing she would not do for others if it was in her power. Like her Savior whom she dearly loved, "She went around doing good."
J. C. Hoke.

LOUISA L. WRIGHT

Louisa Huffman Wright was born in Green county Illinois May 31, 1828 and died at the home of her daughter Mrs. E. C. Pedro January 12, 1912 at the age of 83 years, 7 months, and 18 days. She was married to Franklin Wright in 1844; he preceded her to the beyond 4 years ago. To this union was born 13 children, 8 surviving her. John of Minnesota, and the ex-governor of Moultrie county, Margaret Womack of Oklahoma, George W. of Oklahoma, Johnnie Rose of Windsor, Marie Edwards of Missouri, Carrie Bolin of Whitley township, Emma Pedro of Whitley township and Augustus of South Dakota. She united with the Church of Christ in early life and always lived a true christian life. She was good and kind and loved by every one that knew her.

CARD OF THANKS

We take this method of extending our sincere and heartfelt thanks to all who so willingly assisted us and sympathized with us in our sad bereavement. To the K. P. lodge especially, we owe a debt of gratitude for their attention, care and sympathy.

Niceties of Language

"Will fly with me?" asked the ardent swimmer.

"All depends," answered the practical girl. "Is that a proposal or merely an invitation to go aviating?"
—McCall's Magazine.

The Language

"Waiter," said the traveler in an Erie Railroad restaurant, "Did you say it was twenty minutes to eight or I had twenty minutes to wait?"

"Nayther, Oi said ye had twenty minutes to ate, an' that's all ye did have. Yer train's just gone."
—McCall's Magazine.

Too Great a Strain

Theater Manager—You say you do object to having real food on the table in the banquet scene, Mr. Greeseypant. Why, the rest of the company are delighted at it!

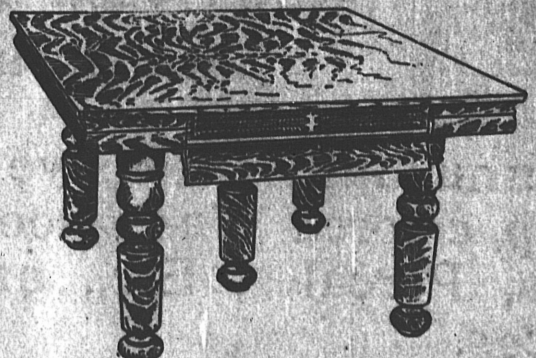

Mr. Greeseypant—Yes; but my part requires me to rise from the table after a couple of mouthfuls and say, "I can't eat tonight—a strange dread comes over me. I will seek the quiet."

CHURCH SERVICES.

BAPTIST.
9:30 a. m.—Sunday School.

PRESBYTERIAN.
9:30 a. m.—Sunday school.
10:45 a. m.—Sermon by the pastor, subject, "Fashion and Transformation."

7:30 p. m.—Evening service, subject will be, "Doing as you please."

The cold weather has cut down the attendance at all the services, which is to be expected in some degree, yet we fear that many people let their religion get too cold to give them courage to face the cold weather. Warm up your spiritual furnace and the weather will not seem any colder Sunday morning than on any other day.

A. T. CORY, Pastor.

METHODIST EPISCOPAL.
9:30 a. m.—Sunday School.
10:45 a. m.—Preaching by Pastor,
6:30 p. m.—Epworth League.

CHRISTIAN.
9:30 a. m.—Bible School,
10:45 a. m.—"Christian Education"
7:30 p. m.—"People to Be Afraid of."

The cold weather has cut into our attendance rather disagreeably. It is to be hoped that as it moderates we may look for better things all along the line. Let everybody put a shoulder to the wheel and push with all his might, and we shall soon be up the hill. Things are looking up very encouragingly and a genuine concert of effort is all that is needed now to bring unquestioned success.

"Come thou with us and we will do you good." Neglect not the assembling of yourselves together as the manner of some is.

J. W. KILBORN, Minister.

TAKE NOTICE.

The Windsor Gazette has made a mistake in the advertisement of the sale of the real estate of Jesse Armantrout deceased in stating that a payment of \$1,000 cash on each 40 acres would be required. We publish in this week's issue of the Saturday Herald an exact copy of the sale bill as brought to this office by the administrators. Read the big ad of this sale.

Amputated His Own Toes.
A German tourist has been found by a gendarme lying unconscious in a stable at St. Sulpice, in the Canton of Neuchatel, Switzerland. The man lost himself in the snow, and his feet became frost bitten. He crawled to the stable, and in his agony took out his pocket knife, and amputated two of his toes. Then he fainted, and is now in hospital.

Philosophy.
"They may be just as good fish as the sea as ever was hatched, but a buddy ever appears to be dead as about it."

PRODUCTION OF QUICKSILVER.

The world's production of quicksilver in 1910 was 3,399 metric tons of 2,204.6 pounds each, against 3,305 tons in 1909, 2,296 tons in 1908, and 2,307 tons in 1907. Spain is the largest producer, furnishing nearly a third of the total world's supply from the famous Almaden mines. The United States, Austria-Hungary and Italy have in turn held second place, this country ranking as third in 1910. The imports of quicksilver into the United States for domestic production are now nominal, having been in 1910 only 667 pounds, valued at \$351, although the values of the imports in the preceding three years varied from \$5,000 to \$3,000. The exports of quicksilver in 1910 were 144,237 pounds, valued at \$21,077 against 510,141 pounds, valued at \$266,243 in 1909. The chief market is now Canada, followed by Mexico.

A QUEER POSTOFFICE.

Sailing vessels still go around Cape Horn, just as they did in the sixteenth century, navigators finding it very difficult to make the winding passage through the Straits of Magellan. Sometimes, however, on account of stormy weather, ships have to hover off the Horn for the greater part of a month. Cape Horn is a big mass of rock, which rises abruptly from the sea and forms a small island. Upon one of the ledges of this rock there stands a covered barrel. Ship captains who are passing around the cape send a boat ashore at that point, if possible, to take from the barrel whatever mail matter is going in their direction and drop in it whatever is destined shall go in the opposite direction. This mail box is the world's most southern postoffice, and it does not need a postmaster.

HOME ENDORSEMENT.

Hundreds of Sullivan Citizens Can Tell You All About It.

Home endorsement, the public expression of Sullivan people, should be evidence beyond dispute for every Sullivan reader.

Surely the experience of friends and neighbors, cheerfully given by them, will carry more weight than the utterances of strangers residing in faraway places. Read the following:

W. Paris, Sullivan, Ill., says: "I have no hesitation in recommending Doan's Kidney Pills, for I know them to be a reliable remedy for kidney complaint. I suffered for several years from kidney trouble and there was much pain in the small of my back. The kidney secretions were unnatural and my back ached a great deal. After trying different remedies without being helped to any extent, I got Doan's Kidney Pills and began their use. They rid me of pain and made me feel better in every way. I am grateful for what this preparation has done for me. For sale by all dealers. Price 50 cents. Foster—Milburn Co., Buffalo, New York, sole agents for the United States."

Remember the name—Doan's—and take no other.

The reputation of this old, reliable medicine, for constipation, indigestion and liver trouble, is firmly established. It does not irritate other medicines. It is better than others, or it would not be the favorite liver powder, with a larger sale than all others combined.

Germes Spread in Skin

Eczema, Psoriasis and other skin troubles are caused by myriads of germs at work in the skin. Unless these germs are promptly destroyed they rapidly multiply, gnawing their way deep into the sensitive tissue. This is what causes that awful itch, and what seemed a mere rash may grow worse and develop into a loathsome and torturing skin disease with its years of misery. Don't take any chances! Destroy the germs at the beginning of the trouble with that soothing and cleansing wash, the D. D. D. Prescription for Eczema. A 25c bottle will prove this to you.

BALD HEAD NOT WANTED

Bald Heads Are too Generally Considered a Sign of Advanced Age.

A bald-headed person does never have an equal chance with one blessed with a healthy head of hair, because baldness is too generally accepted as an indication of age. Many large corporations have established an age limit, and refuse to take men over 35 years of age as new employees.

Probably 65 per cent of bald-headed people may regain a good head of healthy hair if they will follow our advice and accept our offer. We have a remedy that we positively guarantee to grow hair on any head, unless the roots of the hair is entirely dead, their follicles closed and the scalp has become glazed and shiny.

We want people to try this remedy at our risk, with the distinct understanding that unless it does exactly what we claim it will, and gives satisfaction in every respect, we shall make no charge for the remedy used during the trial.

We know exactly what we are talking about, and with this offer back of our statements no one should scoff, doubt our word, or hesitate to put our remedy to an actual test.

We want every one in Sullivan who is suffering from any scalp or hair trouble, dandruff, falling hair, or baldness to try our Rexall "93" Hair Tonic. We want them to use it regularly—say until 3 bottles have been used—and if it does not eradicate dandruff, cleanse and refresh the scalp, tighten the hair in its roots, and grow new hair, we will return every cent paid us for the mere asking. There is no formality expected, and we exact no obligation from the user whatever.

We are established right here in Sullivan, and make these offer with a full understanding that our business success entirely depends upon the treatment we accord our customers, and we would not dare make the above offer unless we were positively certain that we could substantiate it in every particular. Remember you, can obtain Rexal Remedies in this community only at our store—The Rexall Store, A. G. Barrun, Sullivan Ill
