Midnight Blaze Burned Broomcorn Warehouse Containing 50 Tons

Lightning May Have Struck Building Located Near I. C. Tracks. Contractors' Implements and Material Also Stored in Building.

Fire shortly after twelve o'clock Tuesday morning destroyed a broomcorn warehouse in the West end of this city. Fifty tons of broomcorn stored in the building was destroyed, as also were about \$600 worth of tools and implements belonging to D. W. Duncan, the contractor.

The building belonged to the W. A. Duncan estate. The broomcorn was the property of Monaghan & Company, Arcola broomcorn brokers.

This brush has been bought at from about \$150 per ton and up and was worth approximately \$200 per ton at present market prices.

The building was worth about \$1500.

How the fire started is not known. The building was locked. Sparks from a passing engine may have caused it or it may have been struck by lightning as there was a thunder storm in the sky about that time.

When the fire got under way the storm clouds were scattered and hanging low. The blaze lit them to a lurid glow, giving the heavens a weird and spectacular aspect.

The fire truck responded when the alarm was sent in but could do nothing to quench the flames. The building was set up on piles several feet from the ground and a brisk wind whipped the flames through the brush with great rapidity. The burning brush cracked and popped like a discharge of a million fire crackers.

The building and implements were not insured. The broomcorn was covered by insurance.

FIRE DAMAGED RESIDENCE OF MR. AND MRS. R. HARRIS AT MID-DAY FRIDAY

Prompt and efficient service on the part of the Sullivan fire department Friday prevented the total destruction of the Ralph Harris residence East of the Christian church.

The flames were discovered at about the noon hour and at that time had a good start on the shingle roof. The department arrived on the scene in a few minutes after the alarm was turned in. Water pressure was good and with plenty of help the flames were soon brought under control. The roof and top story of the house is badly damaged, the loss somewhere between \$500 and \$1000.

Just what caused the fire is not known, but defective wiring is suspected.

During the past two months two high school girls and Miss Grace Martin a teacher in the grade schools occupied rooms in the second story. The girls had moved out and Miss Martin's belongings were saved. Most of the damage on the lower floor was caused by water and smoke.

Mr. and Mrs. Harris have moved into the Lewis Toothacre residence on Market street in the West part of the city until their residence can be rebuilt.

An Endless Circle ---Not a Racetrack

Local Merchants Discuss Issue Important to Sullivan Prosperity on Page 3 of this Issue.

What kind of a place would Sullivan be if there were no stores, no banks, no local industries, no doctors, or dentists or lawyers or ministers? There probably wouldn't be any city here, you will say. That is just about right—and yet all of us, probably, are guilty to some extent of a practice which, if carried to its conclusion, would bring this condition about.

If all of us were to spend every dollar we earn outside of Sullivan, there would be no use for stores and banks here, of course. That there would be no money to pay our ministers and teachers and professional men is equally obvious.

This is the theme of the business editorial, sponsored by local business interests, which appear on page 3 of this issue. It is entitled, "An Endless Circle," and it describes how a dollar spent in Sullivan stays in Sullivan, and how each one of us has an opportunity to enjoy the use of it for a time.

The editorial is well worth reading. We believe that it will act upon the thinking people of the community as a "stop, look, listen" signal—and will cause values to be found here before we send our money outside.

—Hon. Alex Bell of Carlinville will deliver the Commencement address at Lovington Friday night. He will then come to Sullivan to attend the festivities at the Masonic Home Saturday.

CHAUTAUQUA AUG. 13-17 EXCELLENT TALENT HAS BEEN ENGAGED

Representative Hall of the Loar Chautauqua organization was here Wednesday afternoon and met with the local chautauqua board.

It was decided to start this year's chautauqua on Friday, August 13th and end it with the night program Tuesday, August 17th.

The program as tentatively agreed upon is as follows:

Friday, August 13.
Afternoon—Appillo Duo. This same musical organization will be on the night program and ex-Gov. Harding of Iowa will be the speaker.

Saturday—DeSelm-Folsom Concert Co. and Alice Louise Schrode, whistler, will be the afternoon's attractions. For the night's program the concert company will present the play "Fuss and Feathers."

Sunday—Dr. Frank Bohn and the Roberts Concert Co. will appear in the afternoon and Rev. M. Pontius of Jacksonville will speak at night.

Monday—The afternoon and night program will be given by Bachman's Million Dollar band.

Tuesday—The Henri Boyd company will give the play "Daddy Long-legs" in the afternoon and "Pollyanna" at night.

TEXAS OIL COMPANY LEASES LOCAL SITE

The Texas Oil Company, Mattoon district headquarters is negotiating with the local Masonic Lodge for a lease on the lot at the corner of Harrison and Hamilton streets. Part of this lot was taken by the necessary curve of Route 32.

The lodge officials have accepted the company's proposition and returned to them the lease duly signed. The company's acceptance has not yet been received.

A modern filling station will be erected on the lot.

ATTENDED 50TH WEDDING ANNIVERSARY OF PARENTS

Mr. and Mrs. Charles Hart and daughter Marie of the Masonic Home Farm motored to the farm of Mr. Hart's parents in Richland county, near Olney Saturday. On Sunday his parents, Mr. and Mrs. James Hart observed their 50th wedding anniversary. The local folks returned home Monday.

SCHOOL ENDED; TEACHERS SCATTER FOR SUMMER

With the close of the Township High School the teachers have gone to their homes and on their vacation trips.

Prof. Tice the principal, will enter Summer school at the U. of I. about June 21st and so will Prof. C. E. Dennis. Mrs. Tice and family will visit with relatives during Summer vacation and Mrs. Dennis will continue her residence here.

FIRST ASSESSOR REPORTS

Sam Davis, assessor of Whitley township has turned his books in to County Treasurer Hawkins. Mr. Davis finished his assessment work last week and is the first of the township assessors to report.

NO BALL GAME LAST SUNDAY; TOO MUCH RAIN

Because of the heavy rains Sunday morning, there was no ball game here in the afternoon. It is expected that the Decatur Greys will be here later in the season.

This coming Sunday the Decatur Cardinals will be here for a game.

NEW H. S. CLUB OFFICERS

The Household Science club met at the home of Mrs. Jesse Powell, Tuesday. A pot luck dinner was served at noon, after which the business session program took place. The new officers who were elected for the next term are:

President—Mrs. Agnes Kellar.
First Vice—Mrs. Jessie Wood.
Second Vice—Mrs. Walt Birch.
Secretary—Mrs. George Elder.
Treasurer—Mrs. Hattie Pifer.

Mrs. Bliss Shuman, who was the first president of this organization, was a guest. Sixty-five ladies were present.

CITY OFFICIALS HELD SEVERAL IMPORTANT MEETINGS THIS WEEK

The Light committee met Tuesday night and gave Frank Witts a contract for the construction of a power transmission line from the light plant to the city limits to connect up with the new line built to the city's wells. This line will replace a dilapidated line which was used to give service to the South end of the city.

On Wednesday night the Board of Local Improvements met and authorized advertising for bids for the city's new water distribution system. Official call for bids appears in this issue.

—Mr. and Mrs. A. J. McElfresh of the I. O. O. F. Old-Folks Home at Mattoon, are spending the week visiting friends in this community.

C. H. Tabor Weds Betye Carlin, Young Lady From Bement

Ceremony Performed Saturday in Danville. Wedding Party Spent Several Days at Indianapolis. Will Reside on Harrison Street.

C. H. Tabor, local automobile dealer and owner of the C. H. Tabor Motor Sales was united in marriage with Miss Betye Carlin of Bement, Illinois, at Danville, Saturday. The ceremony was performed by Rev. W. J. Hacker.

The couple was accompanied by Miss Hazel Tabor, sister of the groom and Paul Temple.

Following the ceremony the wedding party proceeded to Indianapolis where they attended the automobile races. Mr. and Mrs. Tabor arrived in Sullivan Tuesday morning.

The bride is a daughter of Mrs. Dan Carlin of Bement and for the past year has been in charge of the "Edison" department in the Haines & Essick stores in Decatur.

The groom is the son of Mr. and Mrs. J. B. Tabor and is one of the best known young business men in this part of the state.

The couple will reside for the present with the parents of the groom. He owns a house on Harrison street, formerly the Roadman residence, which is occupied by Prof. H. I. Tice and family at this time. They expect to go to housekeeping there some time next month.

CREDIT ASS'N DIRECTORS ELECTED FRIDAY AFTERNOON

At a meeting of the members of the newly organized Sullivan Credit Association held Friday afternoon in the Court House the nominating committee made its report and recommended that J. L. McLaughlin, John J. Gauger, J. H. Smith, Frank McPheeters and G. S. Thompson be elected directors. The report was received and election was by acclamation.

Discussion as to what steps next to pursue in perfecting the credit system followed. It was decided to leave that matter in the hands of the board of directors and have them report as soon as possible at a special meeting of the association.

DECATUR WOMAN WHO WORKED HERE SATURDAY KILLED ON WAY HOME

An automobile driven by Miss Pearl Calvert of Lake City with Elmer Yakey of Hammond as her companion, ran over and killed Mrs. Hazel Moran of Decatur, Saturday night near that city. The accident was caused by traffic congestion on this part of the slab. The Moran car was at a standstill awaiting repairs. Mrs. Moran was on the side off the slab. The car Miss Calvert was driving cut around the Moran car on the North side and struck and killed Mrs. Moran. The unfortunate woman at the time of the accident was on her way from Sullivan to Decatur. She and her daughter had spent the day here at the Shirey, Newbould & Hankla store as a special demonstrators for a Decatur bakery. The daughter was not injured.

ARTHUR COUPLE MARRIED

Masonic Dignitaries Gather Here Saturday To Accept Addition

Occasion Will be in the Nature of a Party Given by Grand Master Davenport. J. H. Pearson Represents This District; A. E. McCorvie Represents Commandery.

Men prominent in the Masonic Lodges of the state of Illinois will be guests of Grand Master Richard Davenport of Harrisburg, at the Masonic Home Saturday.

The occasion will be the formal acceptance of the new \$100,000 addition built to the Home during the Winter months. This addition is an enlargement to the hospital and also contains the chapel and moving picture theatre.

Those who have signified their intention of being here Saturday are the following:

James McCready of Aurora; Alonzo Doan of Bloomington and Harry Palmer of McLean, board of managers of the Home; William D. Price, and Robert J. Dailey of Chicago and Robert C. Fletcher of LaGrange board of managers of the Masonic Orphans Home at LaGrange; Grand Master Richard Davenport of Harrisburg; John P. Hobbs, of Chicago; Grand Commander of the Illinois Knights Templar; Mr. Shatgan of Jerseyville grand high priest of the grand chapter; Alex Bell of Carlinville, past grand master; David D. King of Chicago, deputy grand master L. L. Emmerson of Mt. Vernon, senior grand warden; Owen Scott of Decatur, grand secretary; Emmett Howard, of Quincy, junior grand warden; William E. Wright of Effingham, past grand master; James Jeffers of Springfield, grand secretary of the grand chapter; J. H. Pearson of Sullivan, district deputy grand master for the 75th district of Illinois, U. S. A.; A. E. McCorvie, commander of Gil W. Barnard commandery and superintendent of the Home.

Several other dignities of like importance have not signified their intention of coming but may drop in anyway.

These men will gather from all parts of the state during the day and the first part of the program will be a 6 o'clock dinner in the Home dining room. Following this there will be various addresses in accord with the spirit of the occasion.

The party will then adjourn to the theatre in the new building where the picture "Brown of Harvard" will be shown.

Supt. McCorvie will have open house at the new addition Tuesday afternoon between the hours of 1 and 4 and all who want to be shown through the place are cordially invited to be present at that time.

The Illinois Masonic Home has always proven a great asset to this community and needless to say Sullivan, as a whole, congratulates the Home Board on the erection of this elegant new addition and assures all connected with the Home of its friendly interest and co-operation. An improvement to the Home is an improvement to Sullivan.

MCCUSKER GROCERY—Berries, cantaloupes, pineapples, nice new cabbage, new and old potatoes, apples, fine oranges, lemons 35c per dozen, 16 lbs. of beans for \$1.00, onion sets, fine cakes, American Lady canned goods, Bon Ton coffee, new California orange blossom honey, Alex coffee (culture), sweet potato plants expected Friday; seeds, feeds, work clothes, etc.

What's a Democrat

HERE'S ANSWER

"A Democrat is one who believes in the fullest freedom of speech, press and religion; and separation of church and state; laws that bear equally upon all classes, without special privilege or monopolistic advantage; rights of states guaranteed by the Constitution and less national paternalism!"

WHAT'S WRONG WITH FARMING?

The farmer sells what he has produced in a world market. He takes for it what the buyer feels inclined to give.

With the money so received the farmer buys what he needs in a high tariff-protected market where the seller fixes the price. Restricted immigration has limited available labor supply and forced the price of labor upward. High protective tariff shuts out foreign made goods and American manufacturers through trusts and combinations fix prices and charge the farmer whatever they please for what the farmer must buy.

The Haugen bill would have been a step toward giving the farmers some of the government protection which the high tariff gives the manufacturers.

High tariff for protection is a Republican principle as applied to the manufacturing East. Farm Relief through legislation is distasteful to Republicans, consequently the Coolidge administration opposes it.

If manufacturers are entitled to special protection and special privilege, why not the farmers?

If unionized labor can command high wages for an eight hour day, ought not the farmer have an equal wage per day when he works 16 hours?

Through sheer grit and perservance the farmer has been holding up his end of the game. The time for a showdown has come. Coolidge and his gang can't keep for everlastingly trimming and hedging on this matter. You can fool the people just so long and the farmers have reached the limit.

Coolidge economy is bunk.

High protective tariff is robbery. You can't bankrupt the farmers and maintain a prosperous nation.

WHITMAN GETS CANNED

Governor Small has ousted John L. Whitman, warden of Joliet penitentiary. That evidently means that Whitman is the goat, the sacrifice on the altar of the public indignation which was aroused when the graft, bribery and general incompetence was uncovered at that institution recently.

You remember how a few years ago Len Small was tried in Lake county and there acquitted of the charge of conspiracy in connection with his activities by which he took unto himself about a million dollars of the Illi-

nois tax-payers money?

Len has been real grateful to the Lake county folks since that day. Many have been given offices. Elmer J. Green, of that county has been named as Whitman's successor.

Did Whitman do anything to merit his dismissal? We doubt it. He was simply an appointee who went into office with his hands tied. If he had had any sense he would have steered clear of the Len Small regime. He did not and got stung.

But how about Will Colvin, the head of the notorious board of pardons and paroles? The grand jury recommended that he get canned. He's still on the job. Or how about Chauncey Jenkins, head of the state department which has jurisdiction over the penitentiaries? The grand jury recommended his dismissal. He's still on the job. Is Len Small afraid to can these two?

A number of the captains and minor employees at the Joliet penitentiary have been canned. Why? Because they were mere puppets in the rotten system which paroles criminals faster than the courts can convict them. Somebody had to get canned and so they got it in the neck.

The three big misfits are still on the job. First and foremost of these is the Governor himself. He is holding office contrary to the laws of Illinois. These laws provide that no person indebted to the state of Illinois can serve in an official capacity. Len Small is indebted to the state in the sum of about \$1,000,000 according to a ruling of the state Supreme Court. He's already made state employes put up this money by contribution so it can be paid when dilatory courts make the final accounting.

Isn't it a sad commentary on the affairs of the state of Illinois when the Attorney General lacks the inclination to enforce the laws as pertains to the highest official position in the state? What's the matter with this man Oscar Carlstrom, who functions as attorney general? Does he too, lack the intestines necessary to perform the duties he was elected to perform?

A few years ago a fellow named William Henry Harrison Miller of Champaign county was the head of some easy graft commission in this state. He sold doctor's certificates and other similar legal permits at so much per. His graft was uncovered and he was kicked out of office. He was indicted, plead guilty and was let off easy. Ever since he has been trying to get back into office.

And he has a right to demand of the Republican party that they re-instate him. If Len Small and Will Colvin can get by with their stuff, this man Miller was unjustly kicked out. If graft and loot and boodle, bargaining with crooks, looting the state treasury, selling pardons and paroles is to be the order of the day this man Miller is a statesman and a gentleman. He ranks high in his class.

If the game is to be played that way why let's go the limit. Throw open the penitentiaries. Give the fellows diplomas of some kind or other. Equip them with guns and other necessary paraphernalia for successful banditry.

It's a crime and a shame to let out only the fellows who can put up the coin. Let's be fair and give every crook an equal privilege. Some might even give old Len a race for his office. Who knows? To the victor belong the spoils.

This Week

NORTH POLE—LADIES' KNEES.
WOULD TAX CHURCH LANDS.
DANGEROUS BONDS.
THE KANSAS FARMER.

A heavy spear, with a sharp iron point at one end, a Norwegian flag at the other, was thrown on to the North Pole from the dirigible Norge, says the courageous Mr. Amundsen, therefore the North Pole and all the land around it belongs to the King of Norway.

The statement is to some extent poetic. The exact location of the North Pole was in all probability not calculated within twenty miles, unless by accident. And there might be some question as to whether throwing a spear at property establishes ownership.

The only human being that ever landed on North Pole territory and came back to tell about it was an American, Peary, and he left the stars and stripes.

However, there are more serious things to worry about than ownership of the North Pole.

In Paris, for instance, they worry about the knees of beautiful ladies. Fashion, seeking to change dresses, that foolish wives may buy new ones frequently, says dresses must go higher. The knee MUST BE SHOWN.

That seems silly, but fashion tends in a useful direction. The kneecap, a most ingenious contrivance, is not particularly beautiful. If fashion demands that ladies show their knees, knocking together or with a sort of bulging protuberance on each side, like a "bog spavin" on a horse's hock, the ladies will obey fashion.

They will also try to develop WELL-SHAPED knees, and that is possible. There is no doubt that the races of long ago in Greece, when no skirt or anything else was worn by men or women, developed extraordinarily beautiful human bodies that Greek art has immortalized.

The White House denies, unnecessarily, a foolish yarn about spiritualists seances held there in the Coolidge administration. You couldn't have any first-class table rapping in that atmosphere. One look at Calvin Coolidge's cold blue eye, and "Little Minnehaha," spirit of the lovely Indian girl would say, "Let me get back to spiritland, where it is warm."

Denver announces the drafting of an amendment to the State Constitution that would tax church property. It reads, "Lots and buildings thereon used exclusively for religious worship shall NOT BE EXEMPT FROM TAXATION."

The change in Colorado's constitution is drafted by Barney Haugey, single taxer. It will probably not be adopted, nor will a modified proposition, which would compel any church selling its property for profit to pay back taxes with interest, be adopted. In all probability churches and schools, tax free for so long, will probably remain tax free.

American investors are warned once more to invest their money in America, and keep away from foreign bonds. Foreign nations want to pay, but if they can't pay they can't. And the private investor, unlike the

United States Government, cannot bring pressure to bear.

On hundreds of millions of European bonds sold in the United States interest payments will be stopped and the value of the bond will gradually dwindle away. TAKE WARNING. Some of the bonds are probably good, but where European nations borrow at usurious rates, interest and prin-

cipal will not be paid in full.

The train on which this is written is passing just now through Kansas wheat fields so big that from the car window you cannot see to the end of them. You can understand how farmers, scattered over these wide plains, feel as they read the grain market report, believing that men who never saw a wheat field or fan a harvesting machine fix the prices of wheat, and usually put it up after the farmer has sold his wheat.

BOY SCOUT NEWS

Last week the monthly Investiture ceremony was observed. The ceremony was held in honor of Joseph McLaughlin who was awarded the badge of a First Class Scout. Chester Horn, one of the local Boy Scout committeemen had the honor of investing the first First Class badge awarded any member of the present Troop No. 1.

Lieut. D. K. Campbell was also present at this meeting. Mr. Campbell gave the troop a few instructions in drill work.

Judge J. T. Grider gave the boys a very interesting talk on animal life and asked a number of questions as to the habits of animals.

Mrs. McLaughlin and Mrs. Horn were also present during this meeting.

A memorial event in the lives of the local troop will be the first overnight hike which was taken last Friday evening. There were twenty-six all told, who tried to find peace and sleep under the tall trees at Camp Kellar. But many of the boys found no sleep nor peace. Mother earth did not present as soft and downy a mattress and springs as the boys had anticipated. Hence much groaning and tossing could be heard all thru the night. The night was indeed beautiful. The moon was full and directly overhead and gave the appearance of calm and peace.

But there was no peace. A continued battle raged on thru the night. "Skeeters" have the reputation of continuous application to their poisonous profession; never missing nightly session.

HARLAN CARTER LONG IN JAIL FOR ALLEGED CRIME

A jury in the Circuit Court in Decatur last week found Harlan Carter "not guilty" of larceny. He was arrested in December on charges filed by the Smith Electric Company. He had been employed by that company and the allegation was that he

kept one of the company's electric sweepers. Mr. Carter tried to account for his actions but failed and a grand jury indicted him. Not being able to give bond he had been in jail since that time. The jury after hearing the evidence turned him loose. He has been in trouble before. He is a resident of this city and came back here after his release.

The Progress is in receipt of a card from Mrs. Nelle D. Buxton, who with her daughter has been spending the past two years at Phoenix, Arizona. Mrs. Buxton writes that they are now at Flagstaff in that state and are "doing" the Grand Canyon, the Painted Desert and other sights in that locality. She promises the readers of The Progress a descriptive letter after the completion of this sight-seeing tour.

MISS GRACE GRIDER WON IN LIBERTY CONTEST

Miss Grace Grider was informed the latter part of last week that she was one of the winners of the \$25,000 in a President's game which Liberty, a national magazine conducted some time ago. Miss Grider's work as compiled and sent in was a piece of real art. She receives the magnificent sum of \$10 for her efforts.

SAFETY AT GRADE CROSSINGS

We are entering upon the time of year when greater use is made of the public highways than at any other season. Highway traffic over railway grade crossings is at a peak during the summer months. It is therefore especially timely to call attention to the tragic results of being careless in crossing railway tracks.

The railroads are safer to work for and to ride on than they used to be. With more employes and more passengers, there are fewer accidents to employes and passengers. But accidents at grade crossings are increasing instead of decreasing. More persons were killed in grade-crossing accidents in 1925 than in any other year but one on record.

Grade-crossing accidents in 1925 resulted in the loss of 2,206 lives and the injury of 6,555 persons, an average of one person killed or injured every hour of the year.

The tragedy of such a record is that caution could have prevented every one of those accidents. The careful person is safe at any railway grade crossing, but to the careless person every crossing is dangerous. Safety or danger does not lie in the crossing; it lies in the person using it.

It is particularly difficult for the railroads to cope with the problem of safety at grade crossings. Their employes are constantly on the alert to prevent accidents, but the nation's business must be moved without delay, and railway trains cannot be stopped at every grade crossing without strangling the commerce of the country. Since the railroads are under the necessity of operating their trains over nearly a quarter of a million highway crossings—almost one for every mile of line—it is obvious that the final responsibility for safety at such places must rest upon those who cross the tracks.

Four out of every five accidents at grade crossings involve automobiles. The automobile ought to be an agency for safety at crossings. It can be controlled by a careful driver much better, for example, than a spirited horse can be controlled. But in the hands of an indifferent driver the automobile is an agency of destruction instead of an agency of safety—at grade crossings as elsewhere.

Every year the railroads carry on during the summer months a campaign for carefulness at crossings. Their 1926 campaign begins today. It should have the fullest possible measure of public support. Individuals and organizations can be of great help both by stirring up public opinion and by setting an example of carefulness. Much good work is being done by teaching habits of safety in the schools and among civic and community organizations. The press has given its powerful support. For all such co-operation the railroads are extremely grateful.

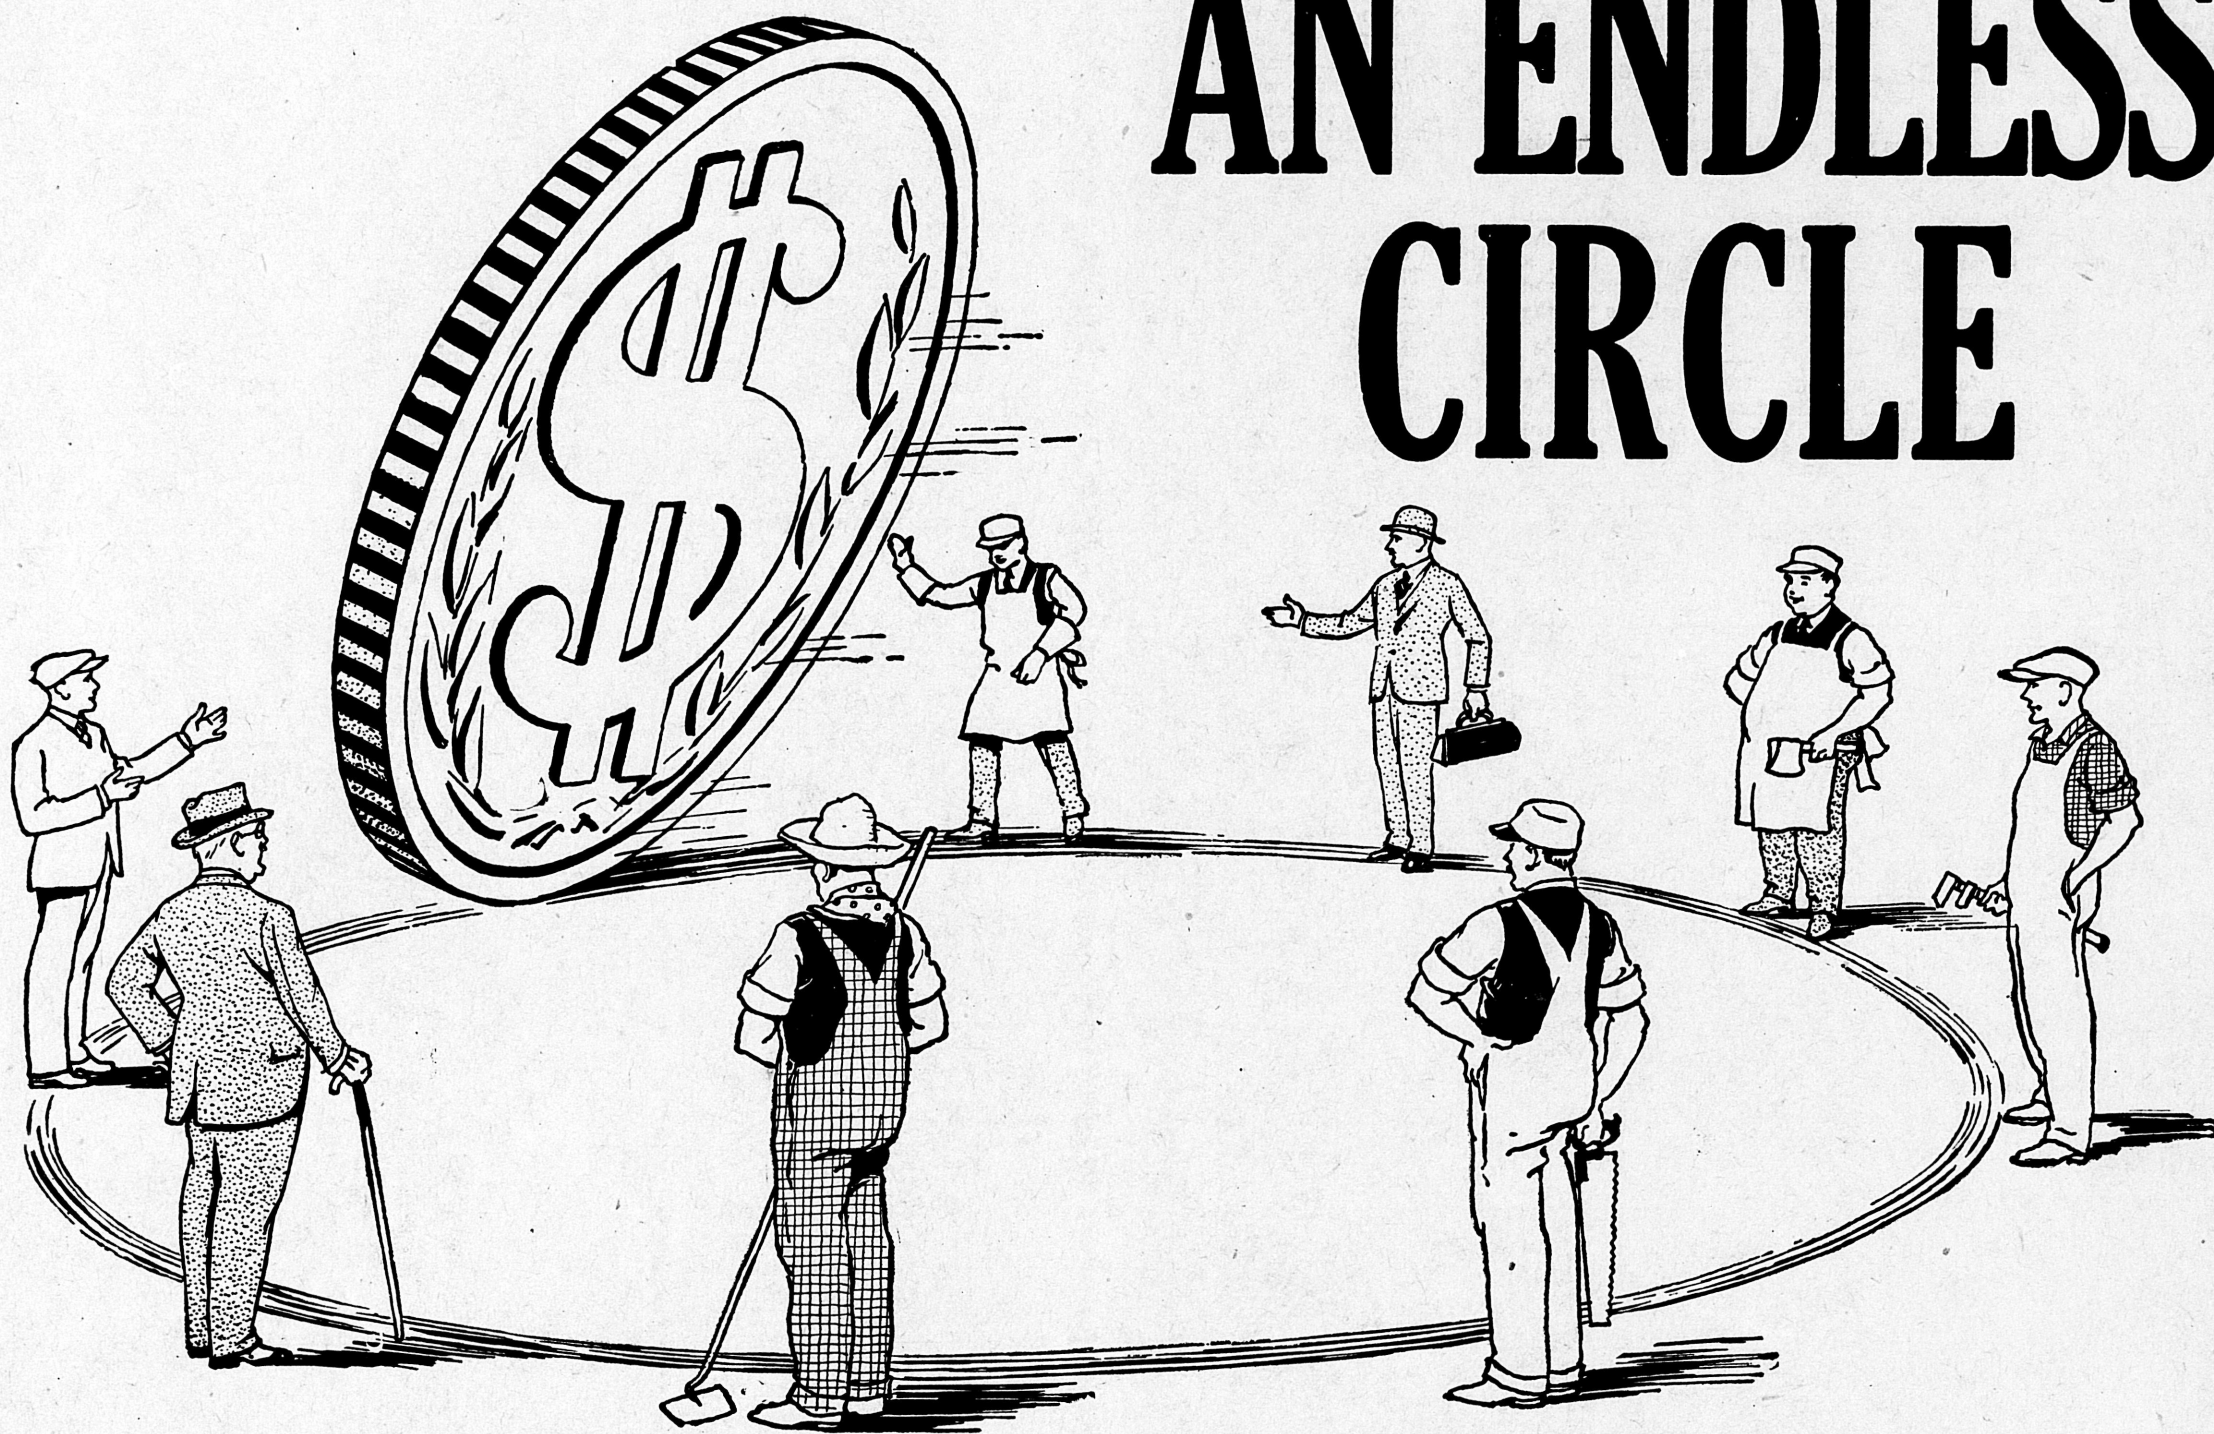

The Illinois Central System appeals to its patrons, employes and friends to co-operate in this campaign. The toll of life, health and property which carelessness collects from the American people at grade crossings is great, and the effort spent on the practice of caution is a wise investment.

Constructive criticism and suggestions are invited.

C. H. MARKHAM,
President, Illinois Central System.

CHICAGO, June 1, 1926.

AN ENDLESS CIRCLE

When you spend your dollar OUTSIDE of SULLIVAN, what becomes of it? Perhaps you receive that for which you pay; but the Community is Poorer as a result --- Some OTHER Community in which you have no interest, and which has no interest in you, is the gainer.

Multiply this Dollar by Thousands --- and you will quickly Realize that no Forward-looking Community can long prosper when this impoverishing process is continued.

What happens on the other hand, when you spend your Dollar in SULLIVAN?

First, you receive that for which you pay --- with the added assurance that if anything goes wrong your merchant is here to make it right. Second, your dollar stays in Sullivan. Perhaps it will come back to you in return for goods or service; or it may go to your neighbor and from him to you.

Some of it will go into investment in Sullivan property. Some of it will go into taxes for Sullivan improvement. Some of it will help to support Sullivan churches and schools.

YOUR DOLLAR SPENT IN SULLIVAN WILL STAY IN SULLIVAN. IT WILL TRAVEL IN AN ENDLESS CIRCLE, ROUND AND ROUND THE TOWN --- WORKING FOR YOU AND YOUR NEIGHBOR ALL OF THE TIME.

Sullivan Grade School Closing And Other School News

School closes Friday of this week. Our school has continued one week longer than the High School on account of beginning later last Fall. The weather has been fine this week for work and every one seem to enjoy the work.

The Eighth Grade picnic is to be held at Decatur this year. All seem anxious to spend the day there in the park rather than go to the woods. Several patrons are to go with cars and take the class. This shows a good spirit and the students and teachers all appreciate this courtesy.

Since this is the last week for school notes, the superintendent wishes to express his appreciation to the patrons and the public in general for their hearty co-operation and support during this year. It is only through such cooperation that any institution is able to accomplish its end. Every one has during the year been very willing to do their part that the

school might be a success. We wish to thank you for the way you have worked with us during this year.

Eighth Grade Graduating Exercises.
At two o'clock Friday of this week the Eighth Grade graduating exercises will take place at the South Side building and all are welcome. Mr. W. S. Booth of Springfield will deliver the address. Mr. Booth is a man who has much experience in the schools of Illinois and will have a message of value to those interested in education and the schools of the state.

In selecting the story from the Eighth Grade class to be read at the exercises Friday we found several splendid stories which made it difficult for the committee to decide which was best. The three best were as follows: Lyle Robertson 1st; Robert Sullivan 2nd; and Mildred Chapin 3rd. These stories were all well written and very commendable.

MASONIC HOME NOTES

Charles F. McClure this week completed the work of painting the interior of the women's building.

A crushed stone driveway has been built to the Home cemetery and a very imposing arch will be erected as an entrance to this driveway.

Superintendent McCorvie reports that of the total of \$11,000 expended by the Home during the month of May approximately \$9,000 was spent locally. This amount was paid to employees and to Sullivan business and professional men.

There were two deaths at the Home this week, Thomas Kennedy of Chicago and Herbert Felton of Quincy. Both were buried in the Home cemetery.

FOUR MEN DITCHED IN AUTOMOBILE MISHAP NEAR LAPLACE, FRIDAY

Friday afternoon a man named McReynolds of St. Louis was a business visitor here. He drove a Lincoln car. Some repairs were needed that necessitated a trip to Decatur.

The trip was made by C. H. Tabor, accompanied by Mr. Reynolds, Homer W. Wright and O. C. Worsham.

In returning to Sullivan on the curve North of La Place on Route 32, three loaded farm wagons were so parked that it appeared possible to drive through between them. In doing so, however, the hub cap of Mr. Tabor's car caught in the rear wheel of one of the wagons and the next thing the occupants knew they were scattered in the ditch alongside the road.

Mrs. Thelma Davis happened along about that time and brought Messrs. Wright and Worsham to this city. Mr. Tabor telephoned to his garage and Fred Booker took a car to the scene and Mr. Tabor drove it back, accompanied by Mr. Reynolds.

Considering the circumstances surrounding the spill the men had a miraculous escape from death. All were more or less bruised and battered, however, and still show the effects of the thrill. Mr. Reynolds left the same evening in his Lincoln for Indianapolis.

MOTHERS AND OFFICERS

SEEK TWO MISSING GIRLS

Where are Goldie Rose and Juanita Collard? This is a question the mothers of the two girls would like to have answered.

These girls graduated with the 8th grade of the local school this year. Wednesday the graduates went to Decatur to a picnic. It was presumed that these girls went with their classmates.

When they failed to return Wednesday evening their mothers inquired of those who went and were informed that Goldie and Juanita had not been at the picnic. Investigation disclosed that each had taken her clothes in a grip when they left Wednesday morning.

The Sheriff's office was appealed to for aid. It was found that the girls brought tickets to Mattoon but there all trace was lost. They had about a \$1.00 with them so far as home folks know.

The girls are about 15 years of age and had not intimated that they expected to leave. Their sweethearts did not accompany them and it was not an elopement as was at first supposed.

The Rose girl is a daughter of Mrs. Susan T. Rose while the Collard girl is a daughter of Mrs. George Collard.

165 COUNTY DELEGATES AT CRUSADE BANQUET

The Illinois Crusade for Christian Education has finally reached Moultrie county. The Crusaders made their first appearance last Sunday at each of the churches in the county. On Monday evening a banquet was held in behalf of the crusade at which time the complete plans and purposes of the crusade was explained.

There were 165 delegates from the county that rallied to the Crusade Banquet. Delegates came from every town and village of the county in the interest of Christian Education. During the evening's program these delegates were called upon to voice their sentiments in regards to the crusade. All delegates who had the privilege to speak, heartily endorsed the movement and welcomed the crusaders into our county.

The special speakers of the evening were Rev. Lawis chairman, Bert Wilson, President Eureka College. Geo. C. Aydelott of Denver, Colo., Rev. Chester Grubb of Bloomington and H. H. Peters of Bloomington. These are all outstanding speakers of the brotherhood and men who are vitally interested and concerned about the crusade. An intense spirit prevailed throughout the program and

all with one accord manifested a spirit of willingness to do their part.

All delegates who were present at the banquet are now informed as to what the Disciples in Illinois are doing for Christian education. The goal of the Crusade is \$1,000,000 for Christian Education. This sum will be divided as follows: \$425,000 to the Illinois Disciples Foundation at Champaign; \$50,000 to the Illinois Christian Missionary Society and \$425,000 to Eureka College. The paramount question of this particular hour is, "What will Moultrie county do to help?"

Superintendent—Mrs. Carrie Landers.

WILL TAKE CARE OF WILLIAM B. MCKINLEY

It is reported that Senator William B. McKinley is to be given an important diplomatic post abroad.

This would be carrying out the established policy of the administration in caring for the "lame ducks" who have been loyal to the President. He appointed Senator Poindexter of Washington and Kellogg of Minnesota to important diplomatic positions, and afterwards the latter to a place in the Cabinet after they had been repudiated by their own states.

VACATION BIBLE SCHOOL AT CHRISTIAN CHURCH STARTS NEXT TUESDAY

The vacation Bible school at the Christian church which will be conducted over a period of three weeks will start next Tuesday.

Mrs. Hattie Pifer is superintendent of this school. Hours of study will be from 9 to 11:30 on Tuesdays, Wednesdays, Thursdays and Fridays. Complete outline of the school activities and list of instructors appeared in last week's Progress.

—William Gritzmacher, who is connected with Sullivan's railroad interests, accompanied by his wife, spent Sunday at the home of Sam Holly near Strasburg. On the return trip Monday they were caught in a rain North of Windsor. They ran off the slab into a ditch. Charley McDonald, John McCaig and Ikey Monroe happened along about this time and with their combined help pulled the Gritzmacher car out. In backing, the car got out of control and backed into another ditch. Willing hearts and strong backs again applied themselves and after some strenuous exertion finally got Bill and his car straightened out and headed towards Sullivan where he arrived without any further mishap.

IS JOE MILLER HOME?

Joe Miller's sentence at the state penal farm expired some time this week. It is not known whether or not he has returned to Moultrie county. A fine of \$400 and costs is still outstanding against him here on the bootlegging charges which also resulted in his sentence to the farm.

GEORGE GRITZMACHER WRITES OF HAWAII AND VOLCANIC DISTURBANCES

Mr. and Mrs. William Gritzmacher are in receipt of a letter from their son George, who is stationed at Hilo in the Hawaiian islands. He is in government service and recently witnessed the spectacular eruption of a volcano on the island which is now his home.

The communication is as follows:

Hilo, Hawaii,
April 9, 1926.

Mr. and Mrs. William Gritzmacher,
Sullivan, Illinois.

Dear Parents:

I received your letter today and sure was glad to get it and I am glad to know that you are well and all right.

Well as for myself I am still having a good time as usual. Say, did you say that they printed one of my letters in the paper. I want you to send me a copy of it if you can.

Well we have earth quakes every night and day too, but never pay any attention to that and the lava destroyed one whole town; there wasn't a thing left but a pig sty in the outskirts of town. It sure was some sight. At night the sky was red as fire and as bright as day. You should have seen it. The lava has stopped flowing now.

I am inclosing a description of these islands for publication in The Progress, if they desire to use it.

The island of Oahu consisting of the county of Honolulu and the city by that name. This island is third in size in the Hawaiian group but is first in importance.

Besides Honolulu, the capital city, it is the site of the great Pearl Harbor Naval Station, immense wireless plants of the Naval Communication surveys and the Radio Corporation of America. It has an American cable station and the Commercial Pacific Cable Company headquarters and is headquarters for both the army and navy in Hawaii. Schofield Barracks is a Divisional army post. Large pineapple canneries are located here, as also are eight great sugar plantations.

Oahu is 46 miles in length and 26 miles in breadth and contains 598 square miles.

There are two principal ranges of

mountains of which the Koolou extends practically the whole length of the island along the Northern or seaward side while the Waiamai range is on the Southwestern side. Both of the ranges are extremely ragged and covered with a dense but low forest growth. In elevation they average between 2000 and 3000 feet. Between the two ranges is an elevated tableland.

The greater part of the 177 miles of coast line is bordered by coral reefs extending from a few rods to as much as a mile seaward. These reefs are usually submerged at high tide and exposed at low tide.

It is on the Island of Hawaii, the largest of the group that I am stationed. The city of Hilo is the largest on that island. Here also is located the Mauna Loa volcano which staged an eruption on April 10th. This eruption and lava flow greatly resembled that of Alikia in 1919, but was much more serious.

The first outbreak was in the early hours of April 10th. A great flow of very frothy lava came from the summit and a line of cracks that extended many miles to the southwest.

The first flow was also accompanied by fountains of lava along these cracks to a distance of three miles and a single big fountain further down the mountain at an elevation of about 11,000 feet.

On Tuesday afternoon, April 13, the view from the Southwest line which extends for 10 or 15 miles from the summit toward the government road revealed three new craters about 7 or 8 miles from the summit. Dense yellow sulphur smoke issued from these craters. The ancients of these islands regarded such an outbreak as a displeasure of the Gods and sacrifices were made to appease their wrath according to ancient history.

The villages of Hoopuloa and Kono were in the path of the lava flow which was to the southward. All that is left of Hoopuloa is a pig sty on the outskirts of where the village stood. The rest of the village is buried under the lava flow. The damage which was great consisted mainly of the destruction of houses, docks and land. Written by Mr. George Gritzmacher, K. M. C. Valcona House, Hilo, Hawaii

—Dale Billman and Miss Cora Utley of St. Louis came Friday for a visit at the home of Mr. Billman's brother Elliott Billman and family. They returned to St. Louis, Monday.

—Mrs. Bridget McCarthy, Mrs. Rose McCarthy and daughter Helen spent Saturday in Jacksonville.

A boy's essay on "Pants." Pants are made for men and not for women. Women are made for men and not for pants. When a man pants for a woman an da woman pants for a man that makes a pair of pants. Pants are like molasses, they are thinner in hot weather and thicker in cold weather. There has been much discussion as to whether pants is singular or plural. Seems to us that when you wear pants it is plural, and when you don't wear them it is singular. If you want to make pants last, make the coat first.—Exchange.

Said improvement shall be constructed and made in accordance with the said Ordinance No. 271 providing for the same and the maps, plans, profiles and specifications for the same thereto attached, and now on file in the office of the Clerk of said City of Sullivan, Moultrie county, Illinois.

Proposals must be made on blanks furnished by said Board of Local Improvements and in compliance with the instructions thereto attached, which can be had on application to the said Clerk of said City of Sullivan, Moultrie county, Illinois, and must be accompanied by cash or by check payable to the order of the President of said Board of Local Improvements in his official capacity, certified by a responsible bank, for an amount not less than ten (10) percent of the aggregate of the proposal.

The contractor shall be paid in Local Improvement Bonds, drawing interest at the rate of six per centum per annum.

No bid will be received unless the party offering it shall furnish evidence satisfactory to said Board of Local Improvements that he has the necessary facilities, ability and pecuniary resources to fulfill the conditions of the contract and execute the work should the contract be awarded to him.

Together with and as a part of said specifications on file in the office of the City Clerk of the City of Sullivan, Moultrie county, Illinois, are required forms for "Instructions to Bidders" and "Contractor's Proposal", subject to inspection of all parties desiring to bid, and copies of the same can also be examined at the office of the Consulting Engineers, Warren & Van Praag, (Inc.) Millikin Building, Decatur, Illinois. Complete copies of such plans, specifications and forms may be obtained on application to the said City Clerk on a deposit of twenty-five (\$25.00) dollars, of which sum so deposited fifteen (\$15.00) dollars will be refunded on return of plans and specifications in good order, on or before June 25th, 1926.

The successful bidder for the construction of such improvement will be required to enter into a bond in a sum equal to one-third of the amount of such bid, with sureties to be approved by the President of the Board of Local Improvements of said City and to be filed with said Board of Local Improvements, when entering into the contract for the construction of said improvement, which bond shall provide that the contractor shall well and faithfully perform and execute said work in all respects according to complete and detailed specifications, and full and complete drawings, profiles and models therefor, and according to the time and terms and conditions of the contract, and that such bidder and contractor shall promptly pay all debts incurred by him, in the prosecution of such work, including those for labor and material furnished.

Bidders will examine the said Ordinance No. 271 also the maps, plans, profiles and specifications, and also the locality in which said work is to be done and judge for themselves of all the circumstances and surrounding conditions affecting the cost and nature of the work.

The Board of Local Improvements reserves the right to reject any and all bids as authorized by law.

Dated at Sullivan, Illinois, this 4th day of June, A. D. 1926.

MAGILL FAMILY HAD
MANY WEEK END GUESTS

Dr. and Mrs. Clark Magill and son James, of Chicago spent the week end with his parents Mr. and Mrs. R. M. Magill.

Prof. I. L. Sears and his nieces Clodah and Maribelle Sears of Waverly, Illinois were also here. Prof. Sears has built himself a touring house on auto chassis and the Sears family expects to leave here soon on a Summer tour.

Sunday Dr. S. R. Magill, wife and daughter of Auburn were here, as also were Dr. A. O. Magill and family of Decatur. Attorney J. Magill and family were among the guests. They now live in Auburn but Mr. Magill has an office in room 232 of the Reich Bldg. in Springfield.

Mr. and Mrs. Vern Watkins of Decatur visited here Sunday and on their return trip were accompanied by Mr. and Mrs. Ralph Wood who had been here for a few days visiting at the home of Mr. and Mrs. Z. N. Wood and Mr. and Mrs. M. L. Lowe.

GAYS.

Mildred Shaffer has been numbered among the sick and is slowly improving.

Mrs. Barriclaw and Mr. Moore were united in marriage last Thursday at Charleston. Mrs. Moore was formerly the Gays telephone operator.

Hubert Brown who has been here visiting has returned to his work in Wisconsin. Miss Mary Ebert accompanied him on his return trip and will visit relatives in that state.

Mrs. Kate Hunnington spent the week end with her sister Mrs. Anna Castevens.

Lawrence Blythe from Urbana is

visiting his grandparents over the week end.

Mr. and Mrs. Wilbur Smith and family and Joseph Smith spent Sunday with Mr. and Mrs. Harry Cross.

Bob Anderson is numbered among the sick.

Mrs. Joseph Smith and two children Robert and Lorene, spent Sunday visiting Mr. and Mrs. John Smith of Mattoon.

FULLER'S POINT.

Miss Mabel Furness a teacher in the Moose Hart schools near Aurora, spent the week end with her parents Mr. and Mrs. John Furness.

Miss Bernadine Jenkins is ill with measles this week.

Several from this vicinity attended graduation exercises Tuesday evening at Sullivan Township High School. Chester Carnine was a caller in Mattoon, Tuesday.

Mr. and Mrs. A. B. Hall attended Decoration services at Whitley church Sunday.

William Spough of Allenville called on his sister Mrs. Lizzie Rightsell Sunday afternoon.

Mr. and Mrs. Water Spough of Allenville spent Sunday afternoon with Mr. and Mrs. Chester Carnine.

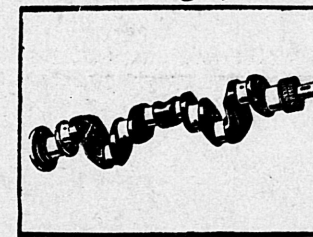

SIDEWALK OBSTRUCTION

"I walked home the other night and stumbled over some children's toys parked on the side walk and came near spraining my ankle. Will The Progress please call attention to people to this matter. I am sure that people who permit it do not know the danger involved." So said a young lady Wednesday morning. We promised to present her complaint and here it is.

Read Why Hupmobile Six Excels Cars Even Higher in Price

Hupmobile Six superiority is basic. It is conclusive. It does not exclude even cars above our price. Herewith are briefly detailed a few of the features—the easy steering, the rigid crankshaft, the clear-vision bodies, the special vibration damper, and the like—which contribute to that pre-eminence in performance and economy, and to beauty and safety as well.

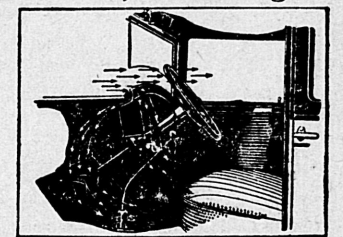

Rigid, No-whip Crankshaft—

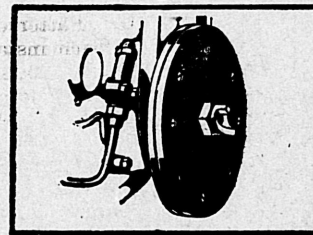

Hupmobile Six has a heavy, rigid crankshaft—the kind too costly for common use. Vibration is eliminated in a six by a rigid crankshaft to overcome whipping and bending, and by a damper to counteract the torsional or twisting tendency of a revolving crankshaft.

Special Windshield Clear-Vision, Ventilating—

The one-piece, clear-vision windshield ventilates without tilting in or out. It raises vertically by a hand lifter, circulating a full-width sweep of air down into the driving compartment, and straight back into the car when desired, as shown by the arrows.

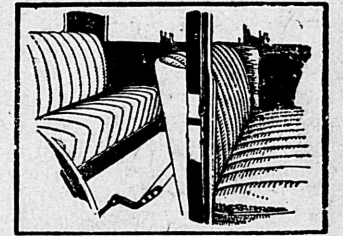

Special Vibration Damper—

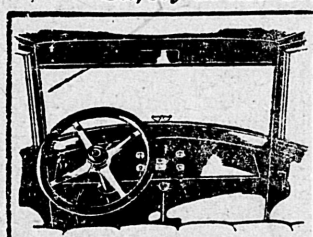

No vibration damper can do more than eliminate the torsional vibration already referred to. And without a heavy, rigid crankshaft such as this engine has, a damper itself means little. The Hupmobile Six damper is a special and improved design.

Newest Upholstery in Latest Mode—

Closed car upholstery is a new shade of blue-gray, best described as platinum, in a deep pile fabric. Cushions are soft and deep, built over springs which contribute greatly to comfort.

Safety in the Clear-Vision Bodies—

Hupmobile bodies have narrow pillars for clear vision. At the pillars, the internal framing is of steel. Elsewhere the framing is of wood. This composite construction affords all advantages of both steel and wood, and eliminates the disadvantages of all-steel and all-wood.

CHURCH NOTES

THE GOSPEL MISSION
H. H. Smith, Supt.
9:30 a. m. Sunday School.
11:00 a. m. Morning worship.
6:30 p. m. Young peoples services.
7:30 p. m. Evangelistic services.
8:00 p. m. Tuesday evening cottage prayer meeting.
8:00 p. m. Thursday regular prayer service at the hall.
As the weather gets nicer, with spring breaking forth in all her beauty, the attendance gets smaller. We too, love the spring, we love to get out and commune with nature, which speaks so sweetly and unmistakably of a living, loving God. But we love better still to meet with the blood washed saints, and mingle our prayers and testimony with theirs, and receive that blessing that comes only with fellowship together. "Oh that men (collectively) might praise the Lord for His wonderful works to the children of men."

METHODIST EPISCOPAL CHURCH
C. D. Robertson, Pastor.
Sunday School at 9:30 a. m. Hugh Murray, superintendent.
The Children's Day pageant is being prepared in the Sunday School, but that is not the only reason why every member of the family should be present. Come and see what the others are.
Morning worship at 10:45 a. m. Sermon by the pastor.
Epworth League devotional service at 6:30 p. m. The election of officers for the coming League year will be held at the close of this meeting, and all members should make a point of being present and being on time. In addition to the election, some business in connection with the District Convention must be transacted. The convention comes June 10 and 11. Preparations are well along, but considerable remains to be done. All who will help in any way are asked to give their names to the pastor.
Evening worship, under the direction of the pastor, at 7:30 p. m.
Prayer meeting every Wednesday at 7:30 p. m.
The church where there are no strangers welcomes you.

BRETHREN
A. J. Burville, Pastor.
Sunday School at 9:30 a. m.
Preaching at 11 a. m.
Christian Endeavor at 6:30 p. m. Subject, "Abraham".
Please remember our song service and preaching on Sunday night.
Prayer meeting on Wednesday night.
Bible class on Friday night at the home.
We are reaching some people on Wednesday night with our Gospel of grace, that we have never reached before. Those who think they are saved by faithfulness or endurance are really under the law and are in bondage, not set free, in the liberty that is in Christ Jesus or part grace and part law like the Galine people in Galatians. But there is no such thing in scripture. It is either all law or all grace. Read the 4th and 5th chapter of Romans. You may wash a sow, but this does not make it a sheep; it will go back to the mire again. This explains what we hear sometimes "I know such a person was truly saved but he died a sinner." In reality he never was a sheep. Get a dose of excitement from the evil one. A mixture of law and grace. The righteousness of God is neither an attribute of God nor the changed character of a believer, but Christ himself, who fully met in our stead and behalf every demand of the law, and who is by the act of God called imputation (Lev. 25:50; James 2:23) "Made unto us righteousness" (1 Cor. 1:30); "The believer in Christ is now by grace, shrouded under so complete and blessed a righteousness that the law from Mt. Sinai can find neither fault nor diminution therein. This is what is called the righteousness of God by faith" (See 2 Cor. 5:21; Romans 4:6 and 10:4; Phil 6:9; See Romans 3:26).

ALLENVILLE CHRISTIAN
The audiences were large at all the services. A number of Sullivan folks worshipped with us Sunday evening. Brother Corwin of Topeka, Kansas gave us a splendid message at the morning service.
"The Man Who Failed" and "The Ultimate Judgment of Character" will be the sermon subjects for next Sunday.

PRESBYTERIAN CHURCH
Childrens Day is to be observed next Sunday, and we hope all the parents and children will make it a great day. We observe a great many special days, but this should be, for the future sake of the church and country one of special importance. The children in the primary rooms today will in less than a quarter of a century be running the affairs of this country, and their life and life's work will depend largely upon their early training and the impressions made upon the plastic mind. The things they now learn will have a lasting effect on life and character. We can inspire them in their work by our words and our presence, and so help them to make life worth while. We trust that we may have a full attendance at the Sunday School hour.
Subject for Sunday morning, "Importance of Childhood and Youth."
The children will have the service in the evening and a program will be rendered that will be worth while and you will be pleased to see and to

hear them.
Gloyd Rose will give an organ recital half hour before the program begins.
Service at regular hour and all are welcome. May we seek as far as we can to do honor to childhood and give courage and inspiration to the youth of our day.
FIRST CHRISTIAN CHURCH
Geo. M. Anderson, Minister.
The church is in the midst of several important activities and most all church auxiliaries are busy serving suppers or socials. Most of these activities are reported to the local papers by officers or somebody appointed in each respective organization.
The Crusade, Vacation Church School, and "Hold That Line" contest in the Bible School are at present receiving the attention of all church members. Next Sunday morning at 9:30 o'clock you will hear all about the contest. Read about the Crusade and the Vacation Church school elsewhere in this paper.
June will be a busy month for the church but with this consolation that some of the work will let up during July and August.
The First Sunday in June, which is next Sunday, is your pastor's first anniversary Sunday. Pastor and wife recalls with a great deal of pleasure, the fine reception extended them a year ago. Somewhat of a special service will be observed on this anniversary. The arrangements of the morning service will be in the hands of Prof. G. H. Iftner and the music will be in charge of Mrs. Wm. Bennett. The sermon subject will be a reflection or an echo of the first sermon preached a year ago.
Your pastor will preach the memorial day sermon next Sunday afternoon at the Seass School house.
You are cordially invited to attend the mid-week and the regular Sunday services.

WAS A BEAR CAT
"My wife was never an angel, but after five years of liver and stomach trouble she became a 'bear cat.' No doctor and medicine helped her and we thought there was no help for her. Our grocer told me of MAYR'S, which had helped him for same trouble, so I brought home a bottle, but she promptly threw it out. I got it back and after a week coaxed her into taking it. She is now enjoying the best of health and disposition." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale by druggists everywhere.

MARRIED HERE THURSDAY; ARRESTED IN DECATUR
Harry Stewart 21, and Miss Inez Frantz 18, both of Decatur, called County Clerk J. B. Martin Thursday night at his home and had him come to the Court House to issue them a marriage license. Several older people accompanied them. They then went to the Christian parsonage and were united in marriage by Rev. G. M. Anderson.
On Friday the bridegroom was arrested in Decatur on a paternity charge preferred by another young lady. He seemed greatly surprised and declared that he thought his marriage would invalidate any action taken against him by his former sweetheart.

HEAVY RAINS BIG BENEFIT TO CROPS
Early Sunday morning Sullivan was visited by heavy rains which thoroughly soaked the ground which was sorely in need of moisture.
All crops were benefitted but particularly the oats and corn. Nearly all corn has been planted, as also have

At the Largest Fair in the Country!

In the most competitive baking contests held in the United States, at the Texas State Fair in 1924, American Beauty Flour took all blue ribbons for angel food cake, pound cake, silver cake, coconut cake, rolls, biscuits, yeast bread and salt-rising bread! American Beauty users took all prizes for general display of bread and cakes.

This remarkable record is no surprise to those who use American Beauty Flour for they know it is incomparable. This is just consistent with our policy of giving American Beauty users the best.

ELEVEN DAYS ON AUTO TRIP FROM SULLIVAN TO ALTADENA, CALIF.

Mr. and Mrs. John W. Cazier are seeing Southern California after their trip overland from this city.

Their first stop in California is in Altadena where their daughter Mrs. Blanche Elkins and family live.

Mr. Cazier writes as follows:

Altadena, Calif., May 26, 1926.

Dear Mr. Brandenburger,

Sullivan, Illinois.

The Progress isn't here this week yet. Don't forget to mail same.

We made the trip in a little less than eleven days. Had fine weather and fair roads except over two mountain passes, gee, they are steep and crooked. The desert road was good.

We found our folks here well.

There is no fruit in California till one gets as far west as San Bernardino where there are oranges and grapes. From there on there are towns, gasoline stations, and fruit stands.

Say, I was down Orange Grove avenue in Pasadena where Wrigley, Jr. and a lot millionaires live, but none of them have grasped my hand yet. Mr. Anheiser Busch lives here, so does Zane Gray, the novel writer and the owner of "Thunder" the movie dog.

The weather is fine here. We visited Los Angeles. It is sure some busy place to drive through. The main Boulevard is like a jam of people trying to get into a picture show. We were also at San Pedro, which is Los Angeles' harbor. The harbor is sure some parking or anchorage for the boats. Our Uncle Sam has some defence there. One can get some view from Look Out or search lights are used.

Well don't forget my address, 416

LITTLE CHILD DIED SUDDENLY NEAR KIRKSVILLE

Charles Albert, infant son of Mr. and Mrs. Charles and Etta Crook, was born March 4, 1926 died suddenly at his home southwest of Kirksville, Thursday, May 27, 1926, age two months and 22 days.

He leaves to mourn his loss besides mother and father, two sisters Viola and Mildred, two brother George and Robert and one half-brother Oren Reeder.

Funeral services were conducted Friday afternoon at the Antioch church, by Bro. Levi Carley. Interment was in the Antioch cemetery, near by.

"We loved him, yes we loved him But angels loved him more, And they have sweetly called him To yonder shining shore. The golden gate swung open, A gentle voice said come And with farewells unspoken Little Charles gently enter home."

CARD OF THANKS

We wish to thank our neighbors and friends for their assistance and kindness extended to us during the death of our little son and brother. Especially for the floral tribute and also to the Red Cross of Kirksville.

ILLINOIS LEADS NATION IN CATTLE MARKETING

Illinois leads all other states as a market place for beef cattle, according to the Farmers' Union Live Stock Commission. The three public markets of the state at Chicago, East St. Louis and Peoria received a total of 5,371,550 head in 1925. At Chicago alone 3,871,149 cattle were received, which is a greater number than was received on all the markets of any state outside of Illinois. The number received at East St. Louis and Peoria were 1,444,252 and 56,149 head, respectively.

In the production of beef cattle Illinois ranks seventh, being exceeded by Texas, Iowa, Nebraska, Kansas, South Dakota and Missouri. The leading beef cattle producing counties of the state are Henry with a total of 48,169 head on farms in 1925; Bureau, with 40,744; Ogle, 36,106; De Kalb, 34,048; Knox 30,556; La Salle, 30,461; Fulton, 29,706; Carroll, 29,624; Hancock 28,086; Jo Daviess 24,871; Lee, 24,237; Warren, 24,021; Mercer, 24,014; Sangamon, 22,695; Adams, 21,270; and McLean, 21,246.

The counties producing the largest number of beef cattle per farm in the state are Carroll with an average of

17 head; Henry with 16.1; DeKalb, 14.1; Ogle, 13.8; Bureau, 13.6; Mercer, 13.2; Warren, 13.1; Henderson, 12.6; Putman, 12.3; Joe Daviess and Knox, 11.8 each; Hancock, 9; Marshall, 8.8; Menard, 8.1; and Brown 8.

DECORATION SERVICES AT SEASS CEMETERY

Decoration services for Seass cemetery will be held at East Center school house on Sunday afternoon of June 6th at 2:30 p. m.

A program will be given consisting of special music, readings, some numbers by Daughters of Veterans and an address by Rev. Geo. M. Anderson, after which march will be made to cemetery for decoration of graves. Quite a number of soldiers are resting in this cemetery.

Flowers and your presence will be greatly appreciated.

Albert Landers.

DEEDED TO MOULTRIE COUNTY

The trustees of Wright cemetery have decided to Moultrie County. This means that the ground will be cared for by the county henceforth. We believe it is the right move, as some of the cemetery lots have been sorely neglected. How people can take their loved ones and bury them and never visit their graves again, is more than we can understand.—Findlay Enterprise
