MAY ORGANIZE **JEFFERSON CLUB** HERE FRIDAY

An open letter was addressed this week to the Democratic precinct committeemen and other Democratic workers asking them to attend a meeting here tonight (Friday) in the circuit court room.

The object of the meeting is to consider the matter of organizing a Jeffersonian club and if those present are favorably inclined such an organization will be effected at the meeting.

County chairman H. M. Rigney in his letter states: "This club, if organized, will work under the supervision and direction of our County Central Committee."

Several adjoining counties now have Jeffersonian clubs.

All Democrats interested are urged to attend Friday night's meeting which starts at 8 o'clock.

TRAVELER SUPPLIED WITH THREE LOADED WEAPONS; ARRESTED

Elva Heinlein of Monticello was arrested here Saturday on orders from Sheriff Herten of Shelby county. Mr. Heinlein was wanted on a charge of kidnapping a 12-year old Shelbyville boy. He denied the kidnapping charge and after his return to Shelbyville was not prosecuted.

This brought him back into the jurisdiction of Moultrie county, where he is wanted on a charge of transporting a number of concealed weapons.

When arrested the man was camping in Wyman Park. He had an old mule team hitched to a covered wagon and back of this had tied a pony which was hitched to an old spring wagon.

Sheriff Lansden started investigating the wagon. He found a box adjacent to the driver's seat. Upon opening this he found three revolvers, a 44, a 32 and a 22, all loaded. There was plenty of ammunition in the box

The man could not explain why he carried such a supply of dang-erous weapons. The sheriff took charge of them.

MRS. CARRIE SMYSER'S **GRANDSON WEDS; LETTER TELLS LOS ANGELES NEWS**

Los Angeles. Aug. 8, 1932

Dear Mr. Brandenburger:

This little piece of news may interest some of the Sullivan people and Progress readers. Jack Smyser oldest son of Henry Smyser(son of Mrs. Carrie Smyser of Los Angeles) was married in Salt Lake City, July 26th to Miss Helen L. Klotz

Jack is a radio operator, made two trips to New York via Panama Canal for the Dimon Steamship Co. He is now employed by the Western Air Express at their base stations. He has been relieving their operator at Denver Colo., Salt Lake City, Utah, Las Vegas, New Mexico and Pueblo, Colo. He will be permanently located at Denver after the 1st of October. He started his work at home. Had a room fitted ap in their garage and attended night school at the Y. M. C. A. In a few months he received his radio license and is very much interested in his work.

Los Angeles is very proud of the wav she is caring for the Olympiad. Wish you might see some of the athletes. The Olympiad village is ideally located and the men are all well cared for. I am proud of our Mayor. He is a member of the Christian church, an exemplary man, a special friend of mine. I suppose you get the L. A. Times. if not let me know and I will send you some issues. Have had wonderful weather for the Olympic events. Hope the depression will soon ease up. Am quite proud of California the way she swung into line for Roosevelt and Garner. Heard McAdoo over the radio. He is running for Senator. Memember me to friends.

Sincerely vours, Mrs. Carrie Smyser,

1809 W. 21st L. A.

KIRKSVILLE EXCITEMENT MONDAY MORNING

There was excitement in Kirksville Monday morning. About 2:15 o'clock a telephone message reached Sheriff Lansden asking him to hurry to that village. The party telephoning said that somebody had broken into Musser's store News. that the building was surrounded and they were waiting for the sheriff to come and make the arrest.

The sheriff hurried to the scene. He found all the able-bodied men of Kirksville on the scene armed with shotguns and other weapons of warfare. The intruder had smashed a window in the store. This noise had awakened some of the people. They were quite certain that he was still in the store.

The sheriff entered the store to investigate. He found nobody. The presumption is that the thief got scared by the noise he made and instead of going into the store, he wen on his way. -

PLAYED AT SUNDAY SCHOOL

Miss Donna Neuman of Springfitld, a college friend of Miss Anna Mary Bayne, visited at the Bayne Sunday home over the week end. morning she played a piano solo during the Christian church Sunday school hour.

-Visitors at the home of Mr. and Mrs. L. M. Craig last week were Mrs. William Perrine of Gays, Mrs. O. M. Preston and daughter Ruth; Mrs. George Newlan, Mrs. Chester Glasscock and Miss Florence Glasscock of Mattoon.

They were married and lived happily ever ever — that is the usual ending of a love-story, or most any other sort of story m book or on the screen. Well, here's something new. The picture Thurs-day and Friday nights of this week starts where other pictures usuall end. It starts with the marriage of the lovers-Janet Gaynor and Charles Farrell. "The First is the title of the play. Year" You'll enjoy it.

This Will Make 'em Shout

Saturday's show is Tom Keene in "Saddle Buster". It is a roaring romance of the rodeos - lots of riding, lots o' lovin'. You'll hate the villian and shout when the hero conquers. There are some good women actresses in this picture. Helen Foster had the leading role and Marie Quillan, a sister of Eddie's is also in the works.

Other Saturday features are "The Marriage Wow" and a screen song "Shine on Harvest Moon."

Is My Face Red?

Not that I care, but that is the show. It is alleged to be a news- Jr. paper story. It is built around the writer of a "Gossip" column and is said to be plenty hot. Do you female and male gossips(nothing personal-we mean the other folks) know where gossip origi- nesday afternoon. Refreshments nated? No. We'll tell you. Back in of cake, ice cream and ice tea were the days when our ancestors lived served. in caves, Mrs. Stonehatchet met Mrs. Hootentooten and remarked "Have you heart about the goings on in the Donnervetter cave down brev. the other side of the hill?" Mrs. Hoot had not, but she started asking other folks and thus was born one of the greatest institutions of modern civilization - gossip. In Frank Stillens. depicting the picture Sunday the directors selected Helen Twelvetrees, Ricardo Contez. Jill Esmond, Robert Armstrong and a pretty good supporting hast. As usual there will be a good comedy feature, a Scrappy cartoon and Wednesday evening.

day and Wednesday nights' show. Andrew Soutar wrote a novel and called it "The Devil's Triangle." Hollywood word butchers got busy on the theme and framed it up for a picture. The book title was too tame so they called it "Almost tame so they called it "Almost Married." Alexander Kirkland, Violet Heming and Ralph Bellamy -play the leading roles. Comedy and other good features.

Hear Mr. Hays

We'll let Manager Hays annights picture. May we present him to our readers:-

Dear Mr. Editor:

On Thursday and Friday, Aug. 25-26 our feature attraction "The Painted Woman" with Peggy Shannon, Spencer Tracy and William Boyd-Unfortunately I have been unable to procure a press sheet on this picture and because of the fact that it will not be re-

leased until Aug 21st have seen no review on it. However the cast is good and I am led to believe that the story has to do with the tropics as the original title was 'Panama." It is a Fox production and judging from the cast and producer I am of the opinion that it is a good picture. "Added en-joyment" will be an excellent comedy entitled "A Hollywood Handicap"-Vincent Lopez and his orchestra in "Beyond the Blue Horizon" and the News Events.
