#### Voters Elect Democrats -- Horner Names Republicans.

The state Democratic Central Committee met in Springfield last week. It adopted resolutions endorsing President Roosevelt and Gov. Horner and urged the election of Democrats to assist these officials in carrying out their programs.

#### Poland Checks Grabb And Outscores Him From The Field

(By Jim Scott)

After an evenly-contested first half the Sullivan Redskins, with Frank Schack again in the van, put on a 26-point last period scoring spree to deliberately massacre Bethany 47 to 15 here last Friday night. After gradually wearing down the Orange and Black defense the Reds were finally able to gallop unmolested under the goal to reap sweet revenge for a previous defeat at Bethany and at the same time preserve their perfect at-home record.

Approximately 250 patrons, the largest gathering of the season, viewed the debacle and of this number nearly half were optimists quarter. from Bethany, who, sensing a possible victory, were forced to watch their favorites undergo the worst mauling Sullivan has ever dished

At the beginning of the year 1933 I made plans to carry on my project and wanted to develop my heifers into good cows and make my old cow produce as much milk as possible. I planned to do this through the use of a balanced ration made up of alfalfa hay. In early spring I just put the heifers on a blue grass pasture that we Harry Fifer. rented from a neighbor.

## Why Hospitals Use a Liquid Laxative

Hospitals and doctors have always used liquid laxatives. And the public is fast returning to laxatives in liquid form. Do you know the reasons? The dose of a liquid laxative can be

measured. The action can thus be regulated to suit individual need. It forms no habit; you need not take a "double dose" a day or two later.

Nor will a mild liquid laxative irritate

The right dose of a liquid laxative brings a perfect movement, and there is no discomfort at the time, or after.

The wrong cathartic may often do more harm than good.

A properly prepared liquid laxative like Dr. Caldwell's Syrup Pepsin brings safe relief from constipation. It gently helps the average person's bowels back to regularity. Dr. Caldwell's Syrup Pepsin is an approved liquid laxative which all druggists keep ready for use. It makes an ideal family laxative; effective for Mrs. S. A. Carter.
